THE FISH BILL.

This important act of legislation, we learn from the Harrisburg Telegraph, has received the signature of the Executive, and is therefore a law.

The National Intelligencer of Saturday, contains a feeler for the release of the infamous Dr. Gwin, who is still confined in Fort Jackson, near New Orleans.

The Sheriff of Cook county, Illinois, denies that Joseph Moore was hung there for killing a man, as had been reported in Johnstown.

There is a band of Gypsies, numbering one hundred, settled near the town of Johnstown, Pa., who are engaged in the construction of fish dams and fish baskets in any parts of the streams indicated in the bill.

The Millburg Telegraph says that Alfred Diehl, of Laurelton, was robbed by three highwaymen on Saturday night, at the Four Mile run, in the Narrows.

Charles Harv, tanner, residing at Ennisville, Huntingdon county, fell from the loft over his bark mill, on Friday a week, striking against the edge of the hopper of the mill, fracturing his neck, which caused almost instantaneous death.

The actual spirit of the Southern rebels finds utterance as follows in a recent number of the Nashville Banner:

But in honest truth, the great majority of the so-called Union or loyal men of the South were the merest trash that could be collected in a civilized community.

We learn from the Tyrone Hemisphere that Alexander Dysart, of Sinking valley, committed suicide on Tuesday week, by shooting himself with a pistol.

At the outer depot, in Pittsburgh, on Wednesday last, Amos L. Zinkoff came to his death by being run over by a freight train belonging to the Pennsylvania Railroad Company.

Mrs. Hamilton, a widow residing at Copanmarch station, Cambria county, Pa., was killed on the 1st inst., when just opposite the Meacham Works, she was caught by the elevated clock express train west, knocked down upon the track, and the whole train passed over her.

AN EXTRAORDINARY PAPER.

The April number of the American Agriculturist contains 44 pages (12x10 inches) instead of the standard 32, and each of the previous three numbers of this, the quarter-century volume, has contained at least 40 pages.

Our readers are therefore cautioned against receiving the second volume from, or giving an order for the same to, any other person, as such order, whether made through misapprehension or otherwise, is void.

Vol. II will be supplied either by Mr. King, or one holding a duly executed power of attorney from him.

The following is another testimonial of this great work: SENATE CHAMBER, WASHINGTON, July 24, 1865.

Gentlemen—I have read the first volume of Mr. Greeley's History of the American Conflict with great care, and I may also say, with great satisfaction.

THE ILLUSTRATED PHEENOLOGICAL JOURNAL FOR APRIL contains Thomas Cook the Excursionist; Dr. Nott; W. V. Wallace; J. Carhart; Alex. Campbell; Miss Carmichael with Portraits, Character, and Biography.

Wm. S. Pierce, Commercial Editor of the Phila. North American, is dead.

Pen, Paste and Scissors.

They are beginning to complain of warm weather in New Orleans already. James W. Duncan, one of the Andersonville jailers, is on trial at Savannah on the charge of maltreating prisoners.

A fire at Danville, Va., on Monday last, is said to have destroyed property to the amount of one hundred and fifty thousand dollars.
