RAILROAD ELECTION .-- In pursuance AMERICAN WATCHES, to notice, the Stockholders of the Middlecreek Railroad Company met in the Court House at Middleburg, on Tuesday, 2d October. W. F. Eckbert, Gen. Irwin, and I. Conrad, were appointed election officers. The following officers were elected.

President-Abner Thompson.

Directors-Joseph Alexander, E. L. Benedict, Aaron K. Gift, John Hayes, jr., John A. McKee, Thomas B. Reese, John D. Romig, Moses Specht, George Schnure, John S. Smith, William H. Weber, Henry Zerbe.

ACCIDENTS .- Alex. Berlew was considerably hurt last Wednesday whilst taking out ore at the Wattson bank, by the bucket falling down, cutting him on the head, breaking a few of his ribs, and otherwise injuring him.

Wm. Knisely had his hand severely injured on Wednesday last at the machine shop of Reese, Slagle & Foust, by being caught in a strap.

Wm. Beatty cut his foot badly with an axe on the same day.

THE FISH WAY COMPLETED .- We are gratified to learn, from the Wrightsville Star, that there is a fair prospect of a free passage of shad and other fish up the Susquehanna, during the next season. The Star savs :

"The schute or fish-way in the dam be-low this place has been completed by the Susquehanna canal company, and is now it a trial on their next annual migratory fresh water tour up our stream the ensuing spring. If there were any young shad to descend this fall, as they were wont to do before dams were built in the Susquehanna, they could notify their old folks when they arrive at home in shaddom, that the track is clear."

The suit tried in the Snyder county Court, between Solomon Brooks and the Pennsylvania Railroad Company, was decided a few weeks ago, the Jury rendering a verdict in favor of the plaintive in the sum of thirteen thousand dollars .---This suit arose out of the accident at Thompsontown a few years since, and was removed to Snyder from Juniata county.

Wm. J. Jackman, has sold the Mifflintown True Demoerat to Mr. Geo. Stroop. Mr. John Tyson of Mifflintown captured a bear some time ago, and had him caged at the lock above that town. On Saturday night a week, says the Sentinel, Mr. Bear not liking his close quarters the Island, and from thence made his way to the mountain.

John M. McCoy, of Mifflintown, has Division of the Pennsylvania Rail Road Canal, vice Alex. Cyrus, resigned.

FATAL ACCIDENT.-Mr. Joseph Kurtz, of East Salem, met with an accident on Tuesday of last week which terminated in death on yesterday morning. He and his little daughter had been riding in a spring wagon, and while descending a

have given our productions the very highest rank among time keepers. Commencing with the determination to make only thoroughly excellent watches, our business has steadily increased as the public became acquainted with their value, until for months together, we have been unable to supply the demand. We have repeatedly enlarged our factory buildings until they now cover over three acres of ground, and give accommodation to more than eight hundred workmen.

We are fully justified in saying that we now make MORE THAN ONE-HALF OF ALL THE WATCHES SOLD IN THE UNITED STATES. The different grades are distinguished by the following trade-marks on the plate :

#### A HUMBUG.

 $H^{\rm OW}$  often we hear this expression from persons reading advertisements of Patent Medicines, and in nine cases out of ten they may be right. It is over 19 years since I introduced my medicine, the VENE-TIAN LINIMENT, to the public. I had no money to advertise it, so I left it for sale with a few druggists and storekeepers through a small section of the country. nany taking it with great reluctance; but I told them to let any one have it, and if it did not do all I stated on my pamphlet, no one need. pay for it. In some stores two or three bottles were taken on trial by per sons present. I was, by many, thought crazy, and that would be the last they would see of me. But I knew my medicine was no humbug. In about two mohths I began to receive orders for more Liniment, some calling it my valuable Liniment, who had refused to sign a receipt when I left it at their store .--Now my sales are miliions of bottles yearly, and all made his escape by crossing the river to for cash. I warrant it superior to any other medicine for the cure of Croup, Diarrheea, Dysentery, Colic Vomiting, Spams and Sea-sickness, as an internal remedy. The child escaped injury, but Mr. K. had one of his legs broken in two places and his shoulder broken and badly bruised, besides, it is thought, sustaining internal injuries. Medical attendance was immediately procured, and he appeared to be getting along pretty well until Monday night last, when his shoulder became rapidly inflamed, and death ended his sufferings on the following morning. Mr. Kurtz had been engaged in the mercantile business at East Salem for a number of years, and was highly respected by all who knew him. The Lewisburg Journal has the following: On Thursday morning last about six

o'clock, Mr. Andrew Meixell, of Sunbury, son of Peter Meixell, of this place, was shot under the following circumstances : He left home before breakfast, on an errand, and while passing the lot of a Mr. Irvin, of Sunbury, noticed some apples lying on the ground, and jumped over the fence with the purpose of getting one or two to eat; he had scarcely done so when he was fired upon with fatal effect, by a son of Mr. Irvin's about eighteen years old The gun was loaded with small bird-shot, which took effect in the arm and breast, penetrating the lungs. The unfortunate man managed to get over the fence and walk a short distance when he fell and laid until discovered by his friends and carried home, where he died at six o'clock in the evening. He was buried the cemetery here on Saturday last .at the cemetery here on Saturday last.
