New Goods.—The public will please take notice that Hamilton's Store has been replenished with a new stock of seasonable goods, such as Calicoes, Delains, Alpaccas, French Merinoes, Shawls, Hoods, Gloves and Hosiery. Also Cassimers, Jeans, Satinets and Cloths for men's wear. With a good assortment of Umbrellas and Woolen and Cotton Flannels, with a great variety of other goods, all of which will be sold as cheap as the cheapest. nov7-1m.

Windows may be cleaned without the use of soap or water by the Instantaneous Window Polish, for sale by J. A. & W. R. McKee, at Odd Fellows' Hall corner. It is decidedly a good article, answering well the purpose for which it is intended. An invaluable thing during house-cleaning, it will not be long until housekeepers generally will adopt it as the best window cleaner.

A New and Brilliant Light.—D. Grove, at his Variety Store, has just received a Burning Fluid which in several respects makes a light superior to coal oil, does not smoke, cannot be exploded, has no feeling of grease, and only costs 50 cents per gallon. He also has the tops, made to fit the different sizes of coal oil lamps, so that they can be altered to burn this fluid at a trifling expense. We have been using one of these lamps in the office, and can bear testimony to the excellent light this new fluid makes.

THE CONTINENTAL VOCALISTS.—The genuine company of this name—comprising Messrs. Smith, Rogers, Hudson and Watson, will give a concert in the Town Hall on Wednesday evening next, 21st November. The old veteran balladist and composer, Bernard Covert, accompanies them and will sing some of his most popular ballads. This company is so well known to our citizens, and has been so often appreciated by large and pleased audiences, that it is unnecessary to do more than make the announcement of their appearance.

PIKE.—This game fish for hook and line is becoming quite scarce in many of the tributaries of the Juniata, and in some has almost disappeared. We have made several trips this fall, and although catching but few, they were all of good size, averaging 18 inches. On Thursday last we caught two, one 19, and the other a yellow pike 22 inches long, and weighing 2 pounds 7 ounces cleaned. This is the best fish we have caught this year.

The Pennsylvania Railroad Company purpose replacing the old wooden bridge over the canal, at Millington, with a new and handsome wire one.

Beyond doubt our friend Pratt is an enterprising man. He has gone to Philadelphia again, to look up bargains; we take pleasure in recommending his store to our country friends, for freshness and variety of goods, and assure them satisfaction in their purchases both as to price and quality. Read column headed Etwas fur Die Leute.

Lewis W. Ruble brought us a lot of turnips the other day, measuring from 18 to 20 inches in circumference—the largest yet left at this office.

The California Squash raised on our lot by Jonathan Barrows from a second planting, weighs 55 lbs. The largest raised last year by the same party weighed 147 lbs.

Although some indications in the shape of brilliant meteors were visible yesterday morning, the shower of light expected did not fall last night. Astronomers however fixed no definite period, so that it may appear to-night.

The Directors of the Pennsylvania Railroad Company visited Freedom Iron Works last week, probably to examine the extensive works there, as well as the new furnaces about to be erected.

The Dry Valley route for the Middle Creek Railroad it is said presents a favorable grade. The line across Porter's and Forsyth farms has been run, and another down the old pike to Jack's creek, so that there is ample choice for a route.

The Commissioners we learn, in consequence of the recommendation of the Grand Jury to erect new buildings for the poor, have been considering the propriety of disposing of the farm near town and purchasing a smaller tract farther off.

A Fair or Festival is to be held during holiday week, under the auspices of the Ladies' Sewing Circle of Woods Lodge, I. O. G. T., of this place.

Colonel J. W. Hicks, of Duncansville, has been appointed a First Lieutenant in the Twentieth U. S. Infantry.

Rev. Jos. Fichtner has been appointed U. S. Assistant Assessor, for Blair county, by Daniel C. Gibboney, removed.

Three separate fires were discovered in Holiday-square, during the past week, but were extinguished before any damage was done.

Wm. Bennett, who claims to hail from Greensburg, Westmoreland county, was arrested in Alexandria, Huntingdon county, whilst attempting to rob the store of Mr. E. P. Walker.

A young man named Shope, while on a gunning expedition in Blacklog Valley, Huntingdon county, was shot in the arm and side by the accidental discharge of a gun in the hands of a companion named Zumer. The wound, though severe, it is thought will not prove mortal.

William Bostlow, of Cambria county, was killed, week before last, whilst standing on the track leading from the Cambria Iron Company's mines, near Johnstown. While watching a train passing over a bridge on the Pennsylvania Rail Road, the loaded cars came down the track on which he was standing, killing him almost instantly.

A HUMBUG.

HOW often we hear this expression from persons in nine cases out of ten they may be right. It is over 19 years since I introduced my medicine, the VERTIAN LINIMENT, to the public. I had no money to advertise it, so I left it for sale with a few druggists and storekeepers through a small section of the country, many taking it with great reluctance; but I told them to let any one have it, and if it did not do all I stated on my pamphlet, no one need pay for it. In some stores two or three bottles were taken on trial by persons present. I was, by many, thought crazy, and that would be the last they would see of me. But I knew my medicine was no humbug. In about two months I began to receive orders for more Liniment, some calling it my valuable Liniment, who had refused to sign a receipt when I left it at their store. Now my sales are millions of bottles yearly, and all for cash. I warrant it superior to any other medicine for the cure of Croup, Diphtheria, Dysentery, Cholera, Vomiting, Spasms and Spasmodics, as an internal remedy. It is perfectly innocent to take internally, use each accompanying glass bottle—and externally for Chronic Rheumatism, Headache, Mumps, Frost-bitten Feet, Bruises, Sprains, Old Sores, Swellings, Sore Throats, &c. &c. Sold by all the Druggists, Depot, 56 Cortlandt Street, New York. oct10-7t

Marching On.—Constantly advancing in public favor, throughout the United States, the British Colours and Spanish America, and needing no FLOURISH OF TRUMPETS, to proclaim its success, that standard article, CRISTADORO'S HAIR DYE, is now far ahead of any preparation of its class. People of Fashion, at length thoroughly understand the terrible consequences entailed by the use of metallic and caustic preparation, and admit the superiority of this famous vegetable Dye, Manufactured by J. CRISTADORO, 6 Astor House, New York. Sold by all Druggists. Applied by all Hair Dressers. oct24-

Alcock's Porous Plasters. WHOOPING-COUGH CURED. Cayuga, Hinds County, Miss. T. Alcock & Co.—Gentlemen: Please send me another six dozen of your Porous Plasters. They are in great demand here for Whooping-cough. They act like a charm. I could have sold two dozen this week if I had them. Send as soon as possible, and oblige. Yours respectfully, JOHN I. WILLIAMS, M. D. ASTHMA CURED.

Mr. Wm. May, of 245 Spring St., New York, writes, Jan. 1, 1856: I have been afflicted with asthma for upwards of ten years, receiving no benefit from medical men. I was advised to try one of Alcock's Porous Plasters. I said I had tried several kinds of plasters without any benefit, and supposed they were all alike. My friend gave me one of Alcock's, and urged me to use it. I did so, and have now worn them steadily for nine months, and find myself better than I have been for many years. Agency, Brander's House, New York. Sold by Druggists. Oct24-
