Ladies the content of the possible tree content and it can be done if they are at all active. and it can be done if they are at all active. Ladies have often made excellent club agents for us, and we solient their kind efforts, which will not go unrewarded. Let one or more energette persons in every town and village in the country commence as soon as they see this, and get up as large a club as possible. By so doing they will be the means of introducing elegant engravings into familes, and thus aid in cultivating a taste for the beautiful and refined.

## New Parlor Heater.

WITH this Stove two objects are perfectly attained, with the least possible expense. In appearance it is like the Parlor Gas Burner, yet so constructed, that you can throw nearly all the heat up stairs when needed, or turn it down at will; and in regaid to economy, it has been scientifically tested, and found that the Russian Gas Burners produce more heat from a given quantity of coal than any other stove in use.
