nealt is a curious fact connected with deep mining, says the Geelong Advertiser, that, from the hours of twelve at night till three in the morning, the disturbing influence in the bowels of the earth obtains increased activity. At that time it is observed by miners that water falls from places where none is observed by miners that water falls from places where none is observable during the day. The volume in the wheel is perceptibly increased, the atmosphere is charged with gases which often prevent the lights from burning, and small particles of earth and rock are observed to fall from the tops of the drives .-Whether this phenomenon is to be attributed to the diurnal motion of the earth or other causes, it is worthy the attention of the curious.

TO THE LADIES.

THE CIRACE FRANCAIS, OR FRENCH DRESSING for Ladies and Children's Boots and Shoes that have become red, or rusty and rough by wearing. They are restored to a perfect and permanent black, with as much lustre as when new, leaving the leather soft and pliable, and what is of great importance to the ladies it will not rub off when wet and soil the skirts. FODDER CUTTERS!!

THE Celebrated Cumming's Fodder Cutter for sale by [nov28] E. J. HOFFMAN,

REAL ESTATE REGISTER

have on register for sale the following real estate

A Farm of 170 Acres, 21 miles west of McVeytown, the pike running through it, 150 acres cleared, well enclosed, water in every field, and 20 acres in good timber. Good Stone House, Bank Barn 50 by 80, Wagon Shed, Corn Crib, Hog Pens, Wash Wagon Shed, Corn Crio, Hog Fens, Wash House with never failing stream flowing through it, Spring House, Smoke House, large Apple Orchard of choice gratted fruit, (worth as much on an annual average as the interest of the entire purchase money,) as well as pear, cherry, peach and plum trees. Price \$40 per acre—one-half plum trees. Price 10 per acre—one-half cash, and remainder in one, two and three years, if desired, with interest—purchaser to pay one-half cost of surveying and making deed. This is a desirable property, and I believe the cheapest farm now for sale in Mifflin county. The land is all patented, and title indisputable.

ALSO,

A Farm of 175 Acres, situate in

Wayne township, within \(\frac{1}{2}\) mile of railroad, \(\frac{1}{2}\) mile from canal, and \(\frac{1}{2}\) miles from Newton Hamilton, 120 acres cleared, remainder good pine and first class white oak timber. The Improvements consist of a two story Log House, double Bank Barn, Spring House, and other outbuild-ings, an old orchard, and another of young trees just beginning to bear. There are four never-failing springs on this farm, one a strong sulphur, and another best limestone. The land lays beautifully, is within ½ a mile of a mill, and a quarter from a public schoolhouse. Soil good, an abundance of easily quarried limestone on the place, and in the hands of an enterprising farmer would make a first class farm in a short time. The owner desires to sell because he has as much land as he desires to cultivate at his homestead. Only \$30 per acre. This place, from its
proximity to market, requiring so little
hauling that horses hardly need shoeing
in winter, its healthy neighborhood, and
other advantages, is undoubtedly a great
bargain. If not sold by the 15th February it will be FOR RENT. ALSO,

Mt. Rock Mills, situate near Lewistown, with 23 acres of Land, machinery and fixtures all in good order, and noted for making as good flour as is manufacpart of which (say \$3000,) can be arranged on a mortgage. This mill is now under rent at a sum which pays all the taxes and fully 8 per cent. on the price asked. The time for its sale is limited.

ALSO. A Tract of 30 Acres, situate in Wayne township, about 5 miles from Mc-Veytown, from 20 to 25 acres cleared and under cultivation. The soil is principally gravel and produces well. It is well watered, and has a fine patch of young timber on it. Price \$1000.

not far from the house, and other advantages. Price \$1500. Possession given 1st Nov., 1867. These Possession given 1st Nov., 1867. These tracts will be sold separately or together. If separate, one-half in hand, and balance in two equal yearly payments with interest, or in one yearly payment without interest. If together, half cash, and balance in two equal payments with interest, or if all paid cash, the half will be discounted at 6 per cent. These properties would make a desirable little farm, and are situate in a very pleasant neigh-

A Tract of Land in Derry township, one and a quarter miles from Lewistown, on the canal, with the old pike running through it, containing about 200 acres, 45 cleared and mostly fenced, with a two story Stone House, Bank Barn, an Old Orchard, and a number of young trees planted some years ago, consisting of apple, pear and cherry. The remainder of the tract is covered with pine, chesmat and oak, from which a large quantity of firewood could be cut, and as it can be easily hauled presents a strong induce-ment to an industrious man with a small capital. One corner of this tract strikes Jack's creek between the Edmiston and old saw mill tract, thus giving access to it by two roads. Price \$3000—\$1000 cash, balance in such payments as may be

agreed on. For further information inquire of GEORGE FRYSINGER, Licensed Agent for sale of Real Estate.
