

LOCAL AFFAIRS.

U. L. A. U. L. A.

A meeting of the Union League, for the transaction of important business, will be held at the Juniata Engine House, on THURSDAY EVENING, March 14, at 7 o'clock. By order.

Rev. DR. WILEY, unless prevented by unforeseen circumstances, will preach in the Methodist Church on Sunday morning next, at the usual hour.

FINE TOMATO.—We are indebted to Messrs. S. Maupay & Co., of the Rising Sun Nursery, Philadelphia, for a paper of seed of their superior Tomato. The fruit is represented as of a deep red color, round, slightly flattened, and without a crease or wrinkle. Orders filled in regular rotation at 25 cents a paper, by mail or otherwise.

The Fakir of Vishnu will open his wonderful exhibition of marvelous doings this evening and continue for five nights. The programme embraces a variety of performances calculated to puzzle the brains of beholders, with lots of fun, and last, but not least, a distribution of some 50 different presents each evening. Of course everybody will go, as since the days of Signor Blitz such exhibitions have become extremely popular.

Among the local bills now before the Legislature, we notice the following:

An act to authorize the sale of the poor house and farm in Mifflin county.

A supplement to an act authorizing and requiring the supervisors of Bratton township to erect gates across public roads in said township.

An act to prevent cattle from running at large on the flat of Jack's mountain in Mifflin county.

Rouse's Theatrical Company, the largest troupe we believe that ever visited here, performed in the Town Hall last week for six nights, the houses gradually increasing until the closing evening completely filled the hall. As actors they delineated different characters quite as well as is generally met with in theatres in the cities, and all who attended expressed themselves much pleased with the performance. There is one feature however connected with the close which we would advise the manager to discontinue, and that is, there is too much work left to be done on Sunday. Public opinion will always censure open violations of that day, and as (whether with or without his sanction) he will be blamed, we are sure he will find it to his interest throughout the interior to see that hereafter as little as possible is done on such days.

FATAL ACCIDENT.—We state with regret that John U. Hamilton, of Newton Hamilton, was run over and killed by a ballast train, at that place, on Monday afternoon a week. He had stepped from one track to the other to get out of the way of an approaching train, and did not observe the ballast train approaching him on the other track. He was struck by the latter, terribly mangled, and instantly killed.—Mr. Hamilton was a young man about 35 years of age, held the position of Division boss on the Road at the time of his death, and leaves a wife and many friends to mourn his untimely end.

It is reported that the entire works of the Hamilton Mcintosh Oil Company, comprising several producing wells and no less than seven engines, were recently sold at Sheriff's sale for a small debt! None of the stockholders here were apprised of any difficulties, and unless every statement that was made respecting this company was a falsehood, this transaction is either the result of gross culpability on the part of the managers, or a most infamous swindle. The debt is said to have been less than \$2,000, and the whole interest of the company, with all its machinery, was sold for about \$2300. Wonder whether a judicial prosecution would not unearth some oil foxes?

INSTRUCTION given by C. W. Walters on the piano, organ, flute or cornet, based on the thorough musical education of his pupils. The standard classical system adopted makes music intelligible to even the youngest scholar.

SOMETHING WORTH KNOWING.—Our spring opening commenced last week, and we are now selling our large stock of knives and forks, bought for cash in original packages direct from the manufacturers, and therefore at prices that will astonish you. P. S.—Only 10 pair of Oil Window Shades left at \$1.00 a pair at The Big Coffee Pot Sign.

Daniels & Stone are selling out their winter stock at very low prices. Shoes from 60 to 2.40; boots from 1.00 to 3.75; a large stock of hosiery, notions, millinery, gents' hats and caps; now is the time to buy; never such bargains offered before; remember the place, opposite Express Office.

Gen. James Burns has been elected President of the Middle Creek Railroad Company, in place of Abner Thompson, deceased. If Mr. Burns will devote his energetic mind to the accomplishment of the work in hand, we have no doubt the road will speedily be made.

A lad named Lee Roberts had his right leg broken and shattered while attempting to get on a passing train at Mapleton on the 28th ult.

SNYDER COUNTY COURT.—Some columns of matter have been wasted by the Juniata and Snyder county cop papers denouncing the removal of a suit to Snyder county as an outrage, &c. but without specifying facts or giving names so that readers could understand what the outrage really was. It now appears that the notorious Peter Eby having committed some theft was pursued by sundry citizens of Snyder county into Juniata, and ascertaining that he was knowingly concealed they took him by force. For this they were indicted in Juniata county, and the papers there having created a strong feeling by representing the pursuers as a mob of rowdies and without a word of intimation that the cause of all the disturbance was one of the worst men in this part of the State, the case was properly removed. Subsequently the Juniata court entered a nolle prosequi in the case—which it had no right to do—but still appeared in Snyder. There the same thing was done, with a provision that Juniata pay the costs. In the case of the Certified Record from Mifflin County, of Mary Butler and S. McCoy, Guardians of the minor children of Col. Wm. Butler, deceased, vs. Pennsylvania R. R. Co., a verdict for defendants was rendered. Mr. and Mrs. Butler were both killed by an unaccountable railroad accident this side of Lancaster, but both traveling under free passes their heirs were unable to substantiate a claim. All classes would have gladly seen these orphans obtain, something but law is law and must be submitted to.

Among the dozen different kinds of Soaps to be found at Grove's, is the Chemical Olive, manufactured by the celebrated firm of McKeone, Van Haagan & Co., for washing clothes. Also, Self Raising Flour, Canned Strawberries, Plums, Garden Seeds, &c.

The passage of the bill giving the Congressional land scrip, 780,000 acres, to the Agricultural College in Centre county, is mainly attributable to the earnest efforts of Speaker Hall and Senator Haines.—These lands cannot be appropriated to any other purpose, and we are therefore glad to see that our senatorial district has come in for the proceeds. If the institution cannot now succeed, there must be something wanting in its organization. The nomination of A. C. Mullen, Esq., as Collector of this District and that of G. Ashman Miller as Postmaster at Huntingdon, have been rejected by the U. S. Senate. Mr. Royer, we hope, will be reinstated in his former position; but should the powers that be refuse to appoint him, Mr. Clark, who is acting Collector now, would be the most acceptable appointment that could be made. For Postmaster at Huntingdon we are pleased to learn that Captain B. X. Blair will probably be the successful candidate.

A young man named Kibe of Benner township, Centre county, was kicked above the eye by a horse and seriously hurt. The Bellefonte School District has subscribed six thousand and fifty-three dollars and thirty-two cents, for the erection of the "Centre County Soldiers Monument."

John Barnhart of Spring township, Centre county, had a number of fine sheep destroyed by dogs a few weeks ago.

Gov. Curtin and family are about visiting Europe.

At a special meeting of Newton Lodge, No. 94, I. O. of G. T., held March 4th, 1867, upon the announcement of the death of John U. Hamilton, a committee was appointed to draft resolutions expressive of the sense of this Lodge, who offered the following:

WHEREAS, it has pleased an all-wise Providence to remove, by sudden death, from our midst, our worthy brother, John U. Hamilton, therefore,

Resolved, That in the death of our brother, the members of this Lodge recognize the loss of one whose devotion to the cause, and in behalf of the objects of the order, won our most sincere love and admiration.

Resolved, That this Lodge tender their sincere sympathies to his companion and friends in this their profound sorrow and affliction, and would point to the virtues that adorned his life as a source of consolation and joy.

Resolved, That the members of the Lodge wear the usual badge of mourning, and that the hall be draped in mourning for the space of sixty days.

Resolved, That a copy of these resolutions be presented to the family of the deceased, and also one to each of the county papers for publication.

R. HENDERSON, O. S. TEMPLE, LEWIS L. MARTIN, Committee.

The principal changes made by Congress in the law respecting the income tax are those increasing the exemption from six hundred dollars to one thousand dollars, and the repeal of the tax of 10 per cent, on sums above five thousand dollars, so that the law now imposes a uniform tax of 5 per cent, on incomes in excess of one thousand dollars. Profits on sales of real estate, purchased since December 31, 1863, are made taxable as income. The assessment of the annual taxes, heretofore made in the month of May, are hereafter to be made on the corresponding day in the month of March.

A communication from the Secretary of War gives the following as the number of extreme cases of destitution in the Southern States. The whites it will be seen far outnumber the blacks:

Table with 2 columns: Whites, Blacks. Rows: Virginia (2,500 Whites, 2,500 Blacks), North Carolina (3,000 Whites, 2,000 Blacks), South Carolina (5,000 Whites, 5,000 Blacks), Florida (500 Whites, 1,000 Blacks), Georgia (7,500 Whites, 5,000 Blacks), Alabama (10,000 Whites, 1,000 Blacks), Tennessee (1,000 Whites, 500 Blacks), Mississippi (1,862 Whites, 2,038 Blacks), Arkansas (1,000 Whites, 500 Blacks), Louisiana (900 Whites, 200 Blacks).

The Lewistown Academy will open on Monday next.

The Senate of the United States passed an Act for the relief of certain drafted men, which had been passed by the House of Representatives on the last day of the last session, which provides that the Secretary of War shall refund the three hundred dollars paid as commutation by the men drafted under the amendatory enrollment act of February 24, 1864, where the same men were again drafted within one year and held to service or required to furnish substitutes.

PROPOSALS.

Agricultural Land SCRIP FOR SALE.

The Board of Commissioners now offer for sale 520,000 acres of Agricultural College Land Scrip, being the balance of the Scrip granted to the Commonwealth of Pennsylvania, for the endowment of Agricultural Colleges in this State.

Proposals for the purchase of this Land Scrip, addressed to "The Board of Commissioners of Agricultural Land Scrip," will be received at the Surveyor General's office, at Harrisburg, until 12 o'clock, m., on WEDNESDAY, APRIL 10, 1867.

This land may be located in any State or Territory, by the holders of the Scrip, upon any of the unappropriated lands (except mineral lands) of the United States, which may be subject to sale at private entry. Each piece of scrip represents a quarter section of one hundred and sixty acres, is issued in blank, and will be transferable, without endorsement or formal assignment. The blank need not be filled until the scrip is presented for location and entry, when the party holding it can fill the blank and enter the land in his own name. Bids must be made as per acre, and no bids will be received for less than one quarter section.

The Scrip will be issued immediately on the payment of the money to the Surveyor General. On all bids for a less quantity than 40,000 acres, one-third of the purchase money must be paid within ten days, and the remaining two-thirds within thirty days after notification of the acceptance of the bid or bids by the Board of Commissioners.
