To make Cold Cream .- Three ounces of oil of almonds, half an ounce of spermaceti, and a quarter of an ounce of white wax. These must be melted over the fire and poured in a warm glass or marble mortar, when as much orange flower or rose water as the mixture will take up should be put in by degrees.

To Bake Shad .- A layer of shad and one of pepper, salt and alspice; also a very little whole mace, and so on, un til the stone jar or pan be filled. Cover it with vinegar, tie over it several thick sheets of paper, send it to the baker's and let it stand in their oven all night. That is capital.
