LOCAL AFFAIRS.

Sweet Potato and other Plants.—Best Jersey Sweet Potato Plants, together with Tomato, Cabbage and other Plants in season, in large or small quantities, can be procured from James M. Martin, in Derry township. Post Office address Lewistown. my1-3t

Rev. Mr. Monroe will deliver a lecture on temperance in the M. E. Church on Sunday evening next. A general invitation to attend is extended.

Brass Band.—Some of our enterprising young men have organized a band under the title of the "Burns Band of Lewistown." They are under the instructions of Wm. Bratton, an old and experienced leader.

School Exhibitions.—The Public Schools of this place will give Exhibitions in the Town Hall, next Thursday and Friday evenings for grown people, and on the afternoons of both those days for children. These entertainments are usually very interesting, and if we are to judge from the earnestness of the youthful regiment for this performance, it will compare favorably with those of past years. The music is superintended by J. Stewart McEwen. Of course everybody will be there.

Accident.—While Emanuel Bach was papering his shop on Friday last, the step ladder broke, precipitating him to the floor, spraining his left arm and making a severe gash on his cheek.

Music.—The third quarterly session of the Milroy County Musical Association will be held near Granville Station on Tuesday afternoon next. A session will be held in the evening also.

Information Wanted.—Washington and Charity Black are very anxious to hear of the whereabouts of their son John. He is a small boy, of dark color. He was taken away from Harrisburg by Thomas Bennett and S. Sanders, against his own will and that of his parents. When last heard from they were about Millintown, Juniata county, working their way to Erie, Pa., as chimney sweeps. Any persons or papers giving any information concerning the boy's whereabouts, will confer a great favor on his distressed parents, by addressing them at Harrisburg.

For Sale.—A large lot of ground in the western end of town, with a small dwelling, fruit trees, &c., thereon. Price \$500. This would make a cheap home. Inquire at Gazette office.

Group.—As many children are troubled with croup, we publish the following remedy, which is said to be reliable: Wrap a linen cloth—cotton will do, but linen is preferable—out of cold water, fold it so as to make several thicknesses, and place it upon the child's throat and chest, then fold a dry flannel and wrap carefully over it. Warm the child's feet with hot stones if necessary—and cover with plenty of bed clothes and let it go to sleep; you cannot perceive when it wakes that it has even a cold. It acts like a charm.

Cure for Hydrophobia.—Now that there is so much excitement concerning mad dogs, and in order that our readers may be prepared for the dog days of 1867, we publish the following cure for hydrophobia. Cut it out and put it in your receipt book for future reference: Take the root of elecampone one ounce and a half, cut fine, then boil it in one pint of new milk down to a half pint; take this three mornings, fasting, and eat no food until four o'clock in the afternoon. It should be taken every other morning; the last two doses must weigh two ounces each. This remedy will have the desired effect if taken at any time within twenty-four hours after the accident.

George S. Myers, of Ferguson Valley, presented us the other day, with a quantity of the largest, finest looking Rhubarb we have seen anywhere. If George attended market with vegetables, &c., of such quality and size, he will not fail to find sale for them.

Cheese.—F. J. Hoffmann has a fine article of fresh dairy cheese, which, with a variety of new and cheap groceries just opened will commend themselves to the public.

Southern Famine Relief Fund.—The Executive Committee on Collections and the Committee on Distribution of the Philadelphia Relief Fund have determined to organize auxiliary Associations, and appointed the following committee for Milroy county:

Hon. S. S. Woods, James Parker, E. L. Benedict, John A. Sterrett, F. G. Franchois, James Burns, Joseph Alexander, Dr. Vanvalzah, Rev. McClen, George Frysinger, Henry Frysinger, Lewistown. David Hough, Granville. Rev. George Elliott, Reedsville. Dr. S. Maclay, Milroy.

A false alarm of fire was raised on Thursday evening last, between nine and ten o'clock, which had the effect of breaking up the meeting at the Methodist Church. Some inquiry was instituted to discover who the parties were, but proved unsuccessful, those who knew not choosing, as usual, to tell. Judging by the thick tongues trying to blow out "fire," whiskey was evidently at the bottom.

We go to press this week at an earlier hour than usual for two reasons, either of which would no doubt be satisfactory to our patrons. First, wind and weather permitting, there is a four days fishing trip on the taps; and second our enlargement may require some spare time for those who are left behind.

We have 2 1/2 bundles of rag Printing Paper, of good quality, 22 1/2 x 32 1/2, which will be sold at less than cost for cash. Weight 50 lbs per bundle—price 17 cents. T. M. Uttley, Esq., we learn was lately appointed Borough Attorney by the casting vote of the Burgess, and George Miller Tax Collector in place of John Kennedy, declined. The Borough tax for 1867, including bounty purposes, is 7 mills.

The weather last week was rather remarkable for the season of the year, the mountains having been covered with snow on Wednesday morning. Rain, with high and cold winds, prevailed for three days, during which the Barometer marked as low as 28 6-10th. The streams were high, but did no damage. On the West Branch the canal was seriously damaged, and on the Susquehanna boating had to be suspended on account of high water.

Daniels & Stone are receiving from Massachusetts, every day, Ladies' Bonnets, Hats and Shoes. We would call the attention especially to their fine stock of Ladies' Shoes; they were bought very low and can be sold very cheap.

Adjourned Court.—The court met on Tuesday of last week for the purpose of hearing license applications, and all were granted except the following: Hummel's, Decatur; Miller and Vanandt continued to August term; Mrs. Bush, held over for consideration.

In the case of Simon Yeager, the court gave him the lightest sentence the law allowed, to wit, \$10 fine and ten days imprisonment in each case.

Something Strange.—Being much troubled with dyspepsia, and yet I have a never failing appetite for greenbacks, therefore, this week I've opened another lot of Oil Cloths—Floor, Table and Stair—some beautiful patterns at reduced price; also, a few new style paper Window Shades, and you had better come and select a Tea Tray or Waiter while my stock is good, in fact, 'tis too large, pressing sale of them this week, look for a bargain, and I offer you now, fresh from the manufacturer, a lot of Tea and Dinner Bells, Tea and Table Spoons and a variety of Kitchen Fixings, and every new article the market affords in this line you'll find at the Big Coffee Pot Sign.

The Broad Top Railroad.—The controllers of this road, says the Bedford Inquirer, have within the last six months improved it very much. All the old trestle have been superceded by new and splendid materials, while many other improvements have been made. The Broad Top road is one of the safest in the State. It has a less number of accidents recorded than any other line of the same length reported, while the care and attention of its officers to the comforts of the traveling public speak in the most favorable terms. We do not think that any one will hesitate to pronounce the most favorable opinion of the substantial condition of the road who will take the pains to inquire or to investigate. We do not know of a single accident which has resulted from pure negligence of its employees or the inefficiency of the material used in its construction, though it has been in existence for ten years. The visitors to the Bedford Springs will find this road perfectly safe and in a very good condition.

If you wish to save money, go to S. J. Brisbin's, near the jail, to buy goods. He has just returned from the East and opened out a fine assortment of Dry Goods, Groceries, Queensware, &c., &c., which he is selling very cheap.

An arrest was made the other day for drunkenness, and the fine of two dollars imposed on the party for the benefit of the School Treasury, as provided by Act of Assembly. If all drunkards are to be arrested, without regard to persons, well and good; but if a few out of the many are to be singled out and made the butt of this law, the community should take measures to see that all are treated alike. It is a notorious fact that since the promulgation of the resolution of the School Board several intoxicated persons in day time as well as at night, might have been seen in Market street alone, but a film apparently covered eyes that at other times are sharp-sighted enough even "to see what is not to be seen." Let us have FAIRPLAY.

These Pills are safe and sure. They are prepared by a process which secures all the best qualities of the herbs which they are composed, without any of their bad. They benefit in all cases, and do harm in none. See B Brandreth's in white letters on the Government stamp. April 11th.

A YOUNG LADY returning to her country home, after a sojourn of a few months in the city, was hardly recognized by her friends. In place of a coarse rustic, flushed face, she had a soft ruddy complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them she used the CAUSEY BALSAM, and considered it an invaluable remedy to any Lady's toilet. By its use any Lady or Gentleman can improve their personal appearance an hundred fold. It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, skin, healing, cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful. Price \$1, sent by Mail or Express, on receipt of an order by

The Puzzle of the Age!

The sharpest observers give it up. People who are proverbial for their critical perceptions, are utterly at fault.

NO LIVING EYE can detect any difference between the richest blacks and browns that Nature has bestowed upon the hair, and the superb artificial tints conferred upon grey, red or sandy hair, by the incomparable vegetable agent.

CRISTADORO'S HAIR DYE. With the color it imparts lustre, and does not diminish the flexibility of the fibres, manufactured by J. CRISTADORO, 6 Astor House, New York. Applied by all Hair Dressers. April 11th.

Know Thy Destiny!

This is no humbug, as thousands of testimonials can attest. She will send when desired a certified certificate, or written guarantee, that the picture is what it purports to be.
