We can speak from personal knowledge of the helplessness of the infirmity; and we can trust our cortinuous t

altogether out of the natural order, granted by Almighty God to this afflic ted, devout lady, at the intercession of his great servant, Paul of the Cross.

A Pittsburgh paper adds its testi

been intending to publish for our read ers' benefit. The lady mentioned is a resident of this city, and until the evening of June 29th ultimo, for a period of nearly nine years has not been able.

The lady mentioned is a below my preconceived ideas. The country bordering on the river is in many places perfectly flat and altogether barren of interest. True, there are many romandof nearly nine years has not been able.

Rome he told her that on June 29th there would be prayer offered for her ment, and influenced our judgment, durat Rome, and exherted her to have ingthis part of our trip. Now and then we faith. Whether her faith was such as to induce her to make the endeavor to leave her couch or not, we are not prepared to say, but certain it is that on that day she arose from her bed and the results of the fortress of Coblentz was really grand. The latter is a large and investigation of the results of t

river, just opposite the town of Coblentz, with which it is connected with a bridge of boats.

The steamboats of the Rhine are magnificent affairs. They are English boats, built of iron, and are very fast. Each one contains two powerful engines, and is capable of transporting a large number of passengers. The accommodations are excellent, and the meals sumptuous, although the diet is decidedly German.—Wine is served in abundance, being used instead of water. Many of the passenters the whole of the face was cut away, leaving but a portion of one eye attached to the skull. The remains were discoverage to the skull. The remains were discoverage attention to found in any other remedy: however severe the suffering the application of this soothing, healing and wonderful Balsam at once vanquishes the disease and restores the sufferer to wonted health.

Mr. JOHN BUN FO.

OF Balbank. Cheming County, N. Y., writes:

"I was urged by a neighbor to get one bottle of the Balsam for my wife, being assured by him that in case it did not produce good effects, he would pay for the body, lay on the outside of the track, and nearly the whole of the face was cut away, leaving but a portion of one eye attached to the country of boats.

The steamboats of the Rhine are magnificent affairs. They are English boats, built of iron, and are very fast. Each one contains two powerful engines, and is capable of transporting a large number of passengers. The accommodations are excellent, and the meals sumptuous, although the diet is decidedly German.—Wine is served in abundance, being used its time was so low with what the physicians termed a star of the capability of the passengers. At various points along the Rhine, as indeed in every part of Germany in which

he captain of our boat ended his dinner on the cabin floor.

At various points along the Rhine, as indeed in every part of Germany in which captain and an inquest was called by Justice Craner. No evidence of foul play has come to light up to the date of writing. Mr. White was heard to say about ten o'clock last evening that he had no bed to sleep in, but would have one if he had to go to Swampoodle after it.

The deceased was about forty-five or fifty years of age. He was attending court as a witness. His purse contained \$1.87 and papers, and we learn from a gentleman he had no more, as he borrowed what he had. It is therefore very probable that he came to his death in no other way than by being crushed by the cars.
