The Pope's Allocation. We lately printed the text of the allocation delivered by Pío Nono, in the Consistory of Rome, on the 20th September last. The Pope, poor man, feels sore because of his position. His enemies! He begins and ends with them. On the sub Alpine government he lets fall his heaviest malediction.

The Paris Monitor insists that the people of Rome are loyal to the Pope, and that they only need assistance to drive the Garibaldians from the Papal territories. The London Times thinks that Victor Emanuel should anticipate Garibaldi's volunteers and Napoleon's troops, seize Rome and then treat with France.

The Roman Catholic Bishops of Ireland have published an address, in which they denounce in the strongest terms the Protestant Church Establishment, the National School system and Fenianism.

Official Vote.

The following is the official vote for Judge of the Supreme Court, and furnishes another instance of a "high-minded" aristocratic democrat holding a high office by the votes of deserters and draft skedaddlers:

Table with 3 columns: Name, Williams Republican, Sharswood Copperhead. Lists names like Adams, Allegheny, Armstrong, Beaver, Bedford, Berks, Blair, Bradford, Bucks, Butler, Cambria, Cameron, Carbon, Centre, Chester, Clearfield, Clinton, Columbia, Crawford, Cumberland, Dauphin, Delaware, Elk, Erie, Fayette, Forest, Franklin, Fulton, Green, Huntingdon, Indiana, Jefferson, Juniata, Lancaster, Lawrence, Lebanon, Lehigh, Luzerne, Lycoming, McKean, Mercer, Mifflin, Monroe, Montgomery, Montour, Northampton, Northumberland, Perry, Philadelphia, Pike, Potter, Schuylkill, Snyder, Somerset, Sullivan, Susquehanna, Tazewell, Union, Venango, Warren, Washington, Wayne, Westmoreland, Wyoming, York.

A Rebel Steamboat Burner Before the Civil Courts.

St. Louis, Oct. 18.—William Murphy, who has been confined in the Missouri Penitentiary for the last two years, under sentence by a Military Commission, for boat burning on the Mississippi river during the war, was brought before the United States Circuit Court on Wednesday, and the case argued on an application for his discharge. Judge Miller decided the case today, discharging the prisoner, on the ground of the unconstitutionality of the tribunal by which Murphy was tried and sentenced. The Judge decided that the prisoner occupied the same position now as though he had not been tried and sentenced by the military tribunal, and could be arraigned and tried upon the charge by the civil courts. On motion of the District Attorney, he was remanded to confinement to allow an opportunity to renew the old charges or prefer new ones, if any existed.

Henry Clay Dean, a shining light of modern democracy, and we believe an apostate preacher, recently wrote to Horace Greeley, inviting a discussion of the national debt question, from the standpoint of the Democratic doctrine of repudiation. In reply H. G. sent the filthy thing the following extinguisher: OFFICE OF THE TRIBUNE, NEW YORK, Sept. 8, 1867. Mr. DEAN—Sir: I have your of the 23rd ultimo. Should I ever consent to argue the propriety of wholesale swindling, I do not know where the cause of national villainy could find a fitter advocate than yourself!

Yours, HORACE GREELEY. Henry Clay Dean, Mt. Pleasant, Iowa. More About the Counterfeit 7-30's. A Washington paper publishes a story that upwards of one million 7.30 counterfeit bonds have been put in circulation, and that the counterfeiters were printed in Philadelphia, which city, it alleges, was the headquarters of the counterfeiters. This story needs confirmation. The Treasury Department has received information that only eighty two counterfeiters were negotiated, but it is possible more may have been hypothesized with banks, which have not yet been discovered.

The Paris Monitor insists that the people of Rome are loyal to the Pope, and that they only need assistance to drive the Garibaldians from the Papal territories. The London Times thinks that Victor Emanuel should anticipate Garibaldi's volunteers and Napoleon's troops, seize Rome and then treat with France. This, it considers, would be the boldest and the best policy. The Roman Catholic Bishops of Ireland have published an address, in which they denounce in the strongest terms the Protestant Church Establishment, the National School system and Fenianism.

Francis Joseph, Emperor of Austria, has referred to the Council of Ministers the address of the Bishops protesting against a new Concordat. The Emperor reproves them for adopting a document which is calculated to create public excitement, when tranquility for the Empire is so necessary.

The Czar of Russia and the King of Prussia are said to have sent a joint note to the Sultan of Turkey, requesting him to cede Candia to Greece.

TO TEACHERS & DIRECTORS. Two years ago a uniformity of text books was happily secured for the schools of this county, with the exception of works on Grammar. No final decision was made on this subject, because a fitting book was not found. Since that time, however, Fessenden's Elementary Grammar and Fessenden's English Grammar have been introduced into Lewistown, the Kishacoquillas Normal Institute, and have been called for by some of the townships. In all of these points they are highly commended by the teachers, by Prof. Mohler, Co. Supt., and are recommended for general adoption.

These works have just been established in the county of Clearfield, the cities of Erie, Philadelphia, Wilmington, Del., Keystone State Normal School, &c., &c. That those districts which have not yet introduced Fessenden's Grammars may avail themselves of liberal terms, books have been placed in HAMILTON'S STORE, LEWISTOWN, at reduced introduction prices. Prompt action should be taken, as all parties adopting and sending for these books before the first of January next, will be furnished with them at the above rates. oct18-3t
