

GEN. GRANT, says the New York Evening Post, not long ago, declared in our hearing...

PRESIDENT JOHNSON, in his message to Congress last December, says of Gen. Grant's administration of the War Department...

THE Democrats have called a Conservative Soldiers' and Sailors' National Convention to meet at New York on the 14th of July...

SCHUYLER COLTAN is a Northern gentleman, and of course is not connected with neither does he sympathize with any Copperhead...

As THE Copperheads appear to be pleased at Johnson's acquittal, we suggest that they nominate him as their candidate...

LET us revive in all its terrible truth the sympathy of the rebel Democracy with the foes of humanity and freedom.

NEVER let the public mind forget either the sacrifices of the heroic dead and living or the barbarous treason of the authors of the rebellion.

RESURRECT the Democratic platform of 1864, with McClellan upon it, which declared the war for the restoration of the Union a failure.

RESURRECT the Democratic hostility to the soldiers voting in the field.

RESURRECT the Democratic slanders upon Abraham Lincoln.

RESURRECT the efforts of the Southern Democrats to burn our Northern cities and to carry pestilence into Northern homes.

RESURRECT the Democratic hostility to draft and to the currency.

RESURRECT the Democratic hatred of our Sanitary Fairs and Christian Commissions.

RESURRECT the Democratic hostility to all the war measures of Congress, thus protracting the war and helping the traitors.
