

# FATHER ABRAHAM.

AARON Sherman, who murdered Samuel Dowhower, in Putnam county, Ill., has been convicted at Ottawa, and sentenced to twenty-five years in the Penitentiary. As Sherman is intensely Democratic, his present situation will add one to Grant's overwhelming majority in Illinois. Every little helps.

In the canvass which is progressing, the question which is palpably before the country is, *Shall the verdict of the war stand, and the Southern States be free States, or shall the verdict be effaced and slavery restored?*

SEI-MOYER, whose name appears at the head of the Copperhead ticket for President, is no relation to the large and respectable family of Moyers in Eastern Pennsylvania.

OWEN GALLAGHER was committed by Alderman Jones, Philadelphia, in default of \$1000 bail, on a charge of stealing a pair of pantaloons. Owen is a Copperhead ward politician.

THE Republicans of Gold Hill, Nevada, have elected their full ticket in the hardest fought election ever held in that city. This is a Republican gain, and the first gun from the West. How do you like it, Cops? Sayay.

A temperance lecturer offered Frank Blair four dollars a day and grub, as well as all other expenses, to travel and furnish the "frightful example."

SINCE the nomination of Blair for the Vice-Presidency, workmen have been employed to fix up another apartment in the State Inebriate Asylum.

A NEW lodge of the P. L. L. has just been organized at Reading, and Dr. William Hargreaves elected the presiding officer. Grant and Colfax, of course.

A COPPERHEAD lawyer of Reading the other day contended that General Seymour was the hero of Gettysburg and Appomattox!

THE Cleveland Plaindealer calls upon its democratic friends to "fling out the flag of purest white." That means a flag of "fruce—unconditional surrender."

A GERMAN shoemaker the other day said: "I like Grant because he don't blow. He minds his own business and makes no fuss about it."

THE Democrats are so deficient in arithmetic that in adding up Northern States they don't know how to "carry one."

SEYMOUR MAN—I tell you what, sir, Democracy is looking up. Grant Man—Well, your bogus Democracy is so flat on its back that it can't look any other way.

AN Irish blacksmith, named James Burke, was stabbed, in New York on Sunday evening last, by Joseph Gillon. Both are Democrats.

WHEN you see an individual enjoying a free wheelbarrow ride to the station-house, it is safe to bet that he is a Democrat.

JACOB AHN, Democrat, was arrested at Frankfort Road, Phila., on Tuesday, charged with the larceny of a pair of shoes.

FOR the effects of the bloody tendency of Copperheadism, see accounts of murders, suicides and outrages in the columns of the leading daily newspapers.

ALFRED ALEXANDER, (democrat) convicted of the murder of Phillis Procter, will be hung in the yard of the Moyamensing prison on the 25th inst.

IF the Copperheads love the Union and the Constitution so well, how is it that they waged war on both for four years?

THERE is a man in New York so dirty that the assessors put him down as real estate. He is a Copperhead, of course.

SEYMOUR'S physician says he is likely to become crazy within a year. Insanity runs in that direction. Beware of Blair!

SEYMOUR, it seems, is hunting up certificates of loyalty, during the war! Where's the razor strap man?

WHY is the Republican party purer now than it was four years ago? Because the Blairs have all left it.

GEN. DIX can't go Seymour and Blair. He is openly and squarely for Grant and Colfax. So it goes.

THE full name of the Chief Justice of the Supreme Court is Salmon Pickled Chase.

THE reason why Blair was nominated for Vice-President is because no decent man would accept it.

A HARD burnt brick—Brick Pomeroy.

THE "OLD GUARD" AROUSED!—GRAND REPUBLICAN RALLIES.—A large and enthusiastic meeting of the Republicans of the Third Ward, of this city, was held on Friday evening last, at the public house of John S. Blanks, corner of South Queen and Middle streets. The meeting was held under the auspices of the Grant and Colfax club of the Ward, and, considering the short notice given, the large turn-out was really surprising, it being much larger than the Copperhead ratification meeting held in Centre Square, a short time ago. The meeting was called to order by R. W. Shenk, Esq., President of the Club, who made a brief, and telling speech. He was followed by Major A. C. Reinhoel, J. B. Amwake, Esq., and Marriot Brosius, Esq. The speeches were listened to with great at-

tention, and the speakers were frequently warmly applauded. During the evening the City Cornet Band visited the meeting and performed a number of popular and patriotic airs. At the close of Mr. Brosius' speech, the meeting adjourned, and a portion of it formed in line and marched to the *Examiner and Herald* office in North Queen street, where an impromptu meeting was organized. Telling speeches were here made by Capt. J. P. Rea, Major R. W. Shenk and J. B. Amwake, Esq. Let the other wards display equal activity, and they will render a good account in October and November next.

In Millersville a meeting was held on Friday evening last, for the purpose of organizing a Grant and Colfax Campaign Club. A large crowd assembled, and the enthusiasm was immense. Addresses were delivered by J. G. Peters, Chas. Denue, Esq., and others. J. B. Amwake, Esq., addressed the Grant Club, at Rohrerstown, on Thursday evening. A large number of persons were in attendance.

A meeting for the organization of a Grant and Colfax Campaign Club will be held to-morrow evening, at Concert Hall, Litz. A full attendance is expected.

SEWING MACHINES. DON'T READ THIS! SINGER'S SEWING MACHINE

Proved itself without a rival in the late test trial in this city with the Howe Machine. We therefore present it to the consideration of an intelligent public as INCOMPARABLY the BEST SEWING MACHINE IN THE WORLD.

It is light running—almost noiseless—and adapted to a wider range of work than any other SEWING MACHINE.

While it is, at the same time, very simple indeed. A child can, with all ease, learn to use it in a short time. We can assure the public that they will look to their OWN INTEREST,

If in want of a SEWING MACHINE, TO SEE, TEST AND TRY THE SINGER, Before deciding to take it or any other Machine. Parties often come to town in search of a Machine, and then listen to the advice of interested parties, or those who have but a limited knowledge of the Machines in question.

BETTER SEE THEM FOR YOURSELVES, FRIENDS, And then you will not be deceived. W. W. BEARDSLEE, Agent, No. 3 EAST ORANGE STREET, (Two Doors from North Queen,) LANCASTER, PA.
