PROSPECTUS!

"FATHER ABRAHAM" CONTINUED AND ENLARGED!

Letters of "Pit Schweflebrenner."

OFFICE OF "FATHER ABRAHAM," NORTH-EAST ANGLE OF CENTRE SQUARE, LANCASTER, PA.

Encouraged by a large number of our Republican friends in various parts of the country, we have concluded to continue the publication of FATHER ABRAHAM as a permanent institution.

We deem it unnecessary to say anything as to the political character of FATHER ABRAHAM. The enthusiasm with which it was received everywhere during the memorable campaign just closed, and its great popularity among the intelligent Republican masses, is sufficient guarantee of its future orthodoxy and usefulness.

And \$1.10 for each additional subscriber, with an extra copy to get up of club, and, also, one for every additional twenty.

An Apology.

We beg our ten thousand subscribers to excuse us for a delay of one day in getting this week's FATHER ABRAHAM to press. Our enlargement, and the loss of one business day this week, which was exclusively devoted to the country, not only by ourselves, but also by the men employed in the Printing Office, will, we are sure, sufficient explanation.

THE Reading Times says that no less than five hundred hats, of all descriptions, were torn to pieces by the jubilant Republicans of that place in front of the League House on Tuesday night.

Particular Notice. In order to enable us to make more perfect arrangements, and to afford our friends and patrons ample time to renew their subscriptions and make up their clubs no paper will be issued next week.

The Glorious Finality. On the 4th of March next, if alive, General Ulysses S. Grant and Schuyler Colfax will be inaugurated President and Vice President of the United States—now not only the greatest Republic, but also the mightiest nation on earth—having been chosen by a popular majority of half a million, even in spite of the most infamous outrages and frauds ever perpetrated in this country.

This is the glorious and final triumph of Republicanism—of National Unity, Liberty, Equality and Law. It secures to us the blessings of perpetual peace throughout the land. EVERY MAN—the black and the white man alike—will henceforth enjoy the right to live for himself, for his family, and for his country. He may go where he will, from the St. Lawrence to the Gulf; from the Atlantic to the Pacific, and from the Rio Grand to the North Pole, with or without a carpet-bag, as he may elect.

The East and the West. One of the most gratifying aspects of our great National triumph is the rebuke thereby administered to the base spirit which, while vaunting itself Conservative and opposed to disunion, is forever seeking to foment jealousy and ill-feeling between the East and the West.

The vote of the People gives the proper rebuke to this meanness. The magnificent majority of Massachusetts is almost matched by that of Illinois; Iowa is as hearty for Grant as Vermont; Pennsylvania and Indiana pull together as they have almost always done; and the gain of Connecticut in the East is paralleled by that of California in the West.

"Let us have Peace!" In this hour of exultation, let us indulge no revengeful spirit. Even the rebel leaders in the recent bloody outrages in the South will see that their reign of terror is over. Invited to submission by the magnitude of General Grant's majority, they can have no further temptation to violence.

Didn't Pay. Seymour's swinging around did not pay any more than Andy's in 1866. So far as the returns of the Presidential election have been received; in every State, county and town where Seymour spoke there is an increased Republican majority.

Five Points of New York—Baxter Street, Philadelphia.

These dens of vice, ignorance and human degradation rolled up immense majorities for Seymour and Blair on Tuesday last. New York city, which contains sixty thousand professional thieves, pick-pockets and burglars, gave about sixty thousand Democratic majority, the greater part of which was rolled up in the wards embracing the Five Points, Corlaer's Hook, Mackerelville and Water Street Dance Houses.

Table showing vote counts for various wards and districts in Philadelphia, including Ward 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50.

A simple glance at the returns from the sixth and eighth divisions of the Fourth Ward, Philadelphia, on Tuesday last, is sufficient to show that the same sort of voters in the latter city carried the Mayor and other officers for the Democracy on the 13th of October last.

The Lesson.

The election on Tuesday last must show the Southern Democratic leaders that the American people will not have Reconstruction measures overturned; will not have our bonds dishonored; will not approve of or bear with the invasion of the sacred right of free speech, or the atrocious interference which has been openly incited and zealously practised by the Southern Democratic leaders for months past.

Fruits of Victory.

One of the most gratifying incidents of the late National triumph is the adoption of impartial Suffrage in the States of Iowa and Minnesota by decisive majorities. This was the third trial in Minnesota—the vote for Justice and True Democracy increasing at each repetition. Connecticut, we trust, is about to follow. If their brass were not inch-deep, we should shame the slanderers who assert that the Republicans are for Negro Suffrage in the South, but against it at the North.

Lancaster County Majorities.

Warwick.

The new Banner Township of the "Old Guard"—having given the largest increased Republican majority since last election,—is glorious Old Warwick. The majority is 280—a gain of sixty!

An Epitaph.

IN MEMORY OF THE DEMOCRATIC PARTY.

Died November 3d, 1868.

THIS PARTY, Flushed with the long possession of Power; Becoming Corrupt with the Patronage of Office; Forsook its Principles; Breathed the infected atmosphere of Treason; Inscribed "Slavery" as the legend upon its Banners, and Pledged itself to Fasten the Fetters on the Limbs of the Slave, And to Plant the System on Soil forever Consecrated to Freedom.

It appealed to The Lowest Prejudices of the Masses against the Negro; It denied Law to a Man because he was Black; And honored Crime, If Perpetrated in the name of Democracy by a White; It Lost the Confidence of the People, and then sought, By Secret Organizations and wide-spread Rebellion,

THE DESTRUCTION OF THE REPUBLIC.

THE OVERTHROW OF DEMOCRATIC GOVERNMENT, and THE ERECTION OF AN ARISTOCRACY IN THE SOUTH, In which African Slavery should be the Corner-Stone.

During Four years of War, To Vindicate the Majesty of Law and the Principles of Constitutional Government, It SYMPATHIZED WITH TREASON, Pronounced the War a Crime and a Failure; Attempted, by Disorders, Bloodshed and Violence, to Provoke Civil War in the Loyal States, and PLEADED FOR PEACE ON THE BASIS OF DISUNION.

On the Restoration of Peace, Won by the Heroism and Sacrifices of Our Defenders, The Party Appealed to the Judgment of the People, and was CONDEMNED TO DIE By the Voice of the Loyal Millions through the Ballot-Box.

Comment is unnecessary.
