A new council of Junior Mechanics has recently been organized at Mount Joy.

The "Glorious Fourth" was observed in this city on Monday last. There was no regular celebration, but people enjoyed the holiday in their own way. Litiz was visited by many of our citizens, where the usual festivities were enjoyed. Capt. Rockafellow's companies of Fencibles had encamped there on Saturday and a variate of the military and savaral day, and a parade of the military, and several Councils of American Mechanics took place during the day. The Spring was illuminated in the evening, and altogether the good people of Litiz had a lively time. By the way, would it not be as well for the credit of the Columbia and Reading railroad company to provide something else than open truck cars for their excursions? The accommodations on Monday night, on the return trip to Lancaster, were decidedly uncomfortable, and men, women and children huddled together, in the cold keen night air on oven trucks was rather. cold, keen night air, on open trucks, was rather too much to pass unnoticed. We hope for bet-

The treatment of the boys and girls of the high school by a majority of the board recently, was a scandal and disgrace, and we hope some reparation may be made by erecting a building for them that will place ail.

Mr. Levi Ellmaker, of the Gap, a brakeman on the Cincinnati express train, fell from the train on Thursday night last, near Marysville, Perry county, about six miles west of Harrisburg. His recovery is considered very doubtful.

The candidates had a gay old time at Litiz on Monday. Such a whispering, buttonholing and cozening generally is seldom seen, PIT SCHWEFFLEBRNNER, Esq., was there, and for particulars see his letter in this paper. A Pic-Nic and Free Fight took place at Rocky Springs on Monday last. Claret of human vintage—flowed freely, mixed with any quantity of first quality of lager. The same thing occurred on Saturday last at Heise's woods, near Columbia. Both parties were celebrating the "glorious Fourth." were celebrating the "glorious Fourth.

George Evans, son of Jacob Evans, had one of his fingers blown off by the accidental discharge of a pistol. Both reside in this city. Thomas Neidig, son of Amos Neidig, of the borough of Washington, this county, was thrown from his horse, on the 27th ult. in that town, and so severly injured as to cause his death in about three hours.

Now that the warm weather is upon us, a thorough cleansing and purification of cellars, &c., should take place. There are a number of disinfecting agents which will be found efficient in removing offensive smells from damp, mouldy cellars, yards, pools of stagnant water, decaying vegetable matter, &c. One pint of the liquor of chloride of zinc, in one pailful of water, is perhaps the most effective of anything that can be used, and when thrown upon decayed vegetable matter of any description, will effectually destroy all offensive odors.

H Z. Rdoads & Bro., have put up a town clock, at their new building in West King st., this city. It is to be illuminated every night, after the new place of business is occupied by the Messrs. Ithoads, which will be in about two weeks. "Rocky," the mischievous old bachelor of the Express very ill-naturedly says: "If the married gentlemen who reside in that section of the city return home late at night and set up the stereotyped excuse that night and set up the stereotyped excuse that they "really didn't know what time it was," they "really didn't know what time it was," they will be met with that insinuating inquiry, "My dear, did you look at Rhoads' clock?" therefore, you see, will not only prove a regulator of time, but of good habits also. And anything that performs two such valuable functions is a benefit to the community." Oh, Rocky! Wonder if "your mother knows you're out" lato o'nights?

THE FOURTH AT LITIZ: The leading feature of the demonstration at Litiz was the American Mechanic's parade, with over six hundred members clothed in full regalia, with numerous flags and banners, and marching through the several streets of the village to the music of all sorts of patriotic airs by five or six hands. The procession contained memor six bands. The processson contained members of the National and State Councils, and bers of the National and State Councils, and subordinate councils from Lancaster, Columbia, Cenoy, Marietts, Mount Joy, Manheim, Adamstowh, Sinking Spring and Ephrata, with delegations from Womelsdorf, Reading, Strasburg and other localities. On arriving at the Spring, an appropriate welcome speech was made on behalf of the citizens of Littz, by Major Freaufi, which was responded to on behalf of the Order of Mechanics by E. H. Rauch and Col. Wm. Bear, when the several Councils were dismissed. This was decidedly one of the most successful local demonstraone of the most successful local demonstra-tions of the kind ever witnessed in this country.

To the Republican Voters of Lancaster County.

We, the undersigned Republicans of the Borough of Coumbia, take pressure in offering Mr. Peter Fraley as a condidate for the Assembly. From a long knowledge of the character and qualifications of Mr. Flaley, we feel confident he would make a faithful and efficient Representative. We, therefore, urge our fellow-citizens of the county to give him their suffrages at the ensuing primary election:

John Q. Denney,
H. G. Minich,
Jacob Auwerter
Philip Shreiner,
John B. Buchman,
George Bogle,
J. W. Steaty,
Abram Bruner, Jr.,
A. J. Kautman,

Lancaster, June 29th, 1869.

Editors Express: I perceive that Mr. Henry Bechtold, of the borough of Mount Joy, is one of the candidates for the office of Register. He is extensively known in the county for hisstrict busir ess habts, and his zeal as a staunch Republican, and has done faithful duty for years without asking for an office. He is fairly entitled to the suffrages of his fellow-citizens; and if elected, would not fail to give general satisfaction, being intimately acquainted with the German and English languages, and otherwise well qualified for the office. His numerous friends will be happy to see him settled at the primary election, and will not fail to give him love of them.

THE HEARTH AND HOME continues interesting and pleasing. No. 30 is forthcoming, and promises to be a specially fine one, both in the variety and excellence of its matter and the beauty and value of its illustrations. It will contain the beginning of the very interesting story, "The Romance of A Rich Young Girl," by Octave Fullet, author of "The Romance of A Foor Young Man," which was everywhere so deservedly popular by reason of the singular interest of its plot, the variety, beauty and thrilling character of its incidents, the artistic skill of the style and the healthy tone of its morality. "The Romance of a Rich Young Girl," will be found to possess all these qualities in an equally marked degree. Address, HEARTH AND HOME, Perk Row, New York.

DAILY, AND WEEKLY.

NOW IS THE TIME TO SUBSCRIBE.

EVERY MAN SHOULD KNOW WHAT IS GOING ON.

The election of Grant marks an era in the history of the country. The future is full of promise. We stand on the threshhold of a period of remarkable interest. If the Presidential campaign awakened a desire for reading and intelligence, the election of Grant must create a wish among all classes to be well informed at every step in the career on which, as a people, we are about toenter. The people having elected a President by an unexampled majority, they will naturally wish to observe him at every step, know of every event as it happens, and have an intelligent understanding of men and things not only in our own country, but throughout the world.

More than ever now a good newspaper becomes essential to every man, who would keep himself informed concerning passing events. No man can pretend to know what life is or keep up with even the most moderate competitor, without he is the constant reader of a good newspaper. A good newspaper is the best investment any man can make—a poor one the poorest. Although established but recently, comparatively,

THE PITTSBURG COMMERCIAL has won a place among the first journals of the country, and by common consent is the

And the habitual render of the COMMERCIAL will find himself well informed on all topics of general interest. Few papers in the country have so extensive a correspondence; none has so complete arrangements for gathering the news, and no other pays so much attention to adapting what it prints to the wants and associations of its readers. ever since it was established, has been shead in giving the latest, fullest and most reliable news. It is not too much to say—for it is a common remark—that locally it has caused a revolution in journalism; and it exerts an extended influence on the public mind. Not professing to be a party organ, and wishing not to be understood as the instrument of any set, sect or combination, yet devoted to the great principles which have so signally triumphed in Grant's election, the Commercia aims to be an educator of the public mind, the medium through which it will find expression, and the advocate and friend of trath in all things.
