DAS ALT SCHUL-HAUS AN DER KRICK.

BY REV. H. HARRAUGH, D. D.

Helt ischt exactly zwanzig Yohr, Das Ich bin Owa naus; Naa bin Ich wider lawig z'rick, Un' steh' an Schul-haus an der Krick, Yush' nestek an's Aty's Haus.

Ich bin in hundert Haeser g'west, Von marbel, Stein un' Brick; Un' silles was Ich hab geseh, Des Ich verschwapp any day, Fuer's Schul-haus an der Krick.

Wer mued da heme is, un' will fort, So los ihn numma geh; Ich sag ihm was er maus, Es is all Humbung Owas draus, Un' er wend's selver seh.

Ich bin drans rum in alle Eck' Getraetel high un' low; Hab awer noch in kannaen spot, Ue'm so sel Yeh gabat, Wie in dem Schul-haus do.

Wie haemelt mich do alles' a' Ich steh, un' denk, un' guk; Un' was Ich schreib vergesa hab, Kumm' wider z'rick, wie aus selm Grab, Un' steh' do wie o' Spook!

Des Krickle spilt verberd wie's hot, Wo Ich noch a' spilt hab do; Die Krickle spilt verberd wie's hot, Spilla noch ne Kiefa Fisch, So smart wie long ago.

Der Weisch' steh' noch an der Tuer-Macht Schatta ueber's Dach; Die Trauerbank is o' nook g'raht; Un' a' Maer' nesch'—guk yush' 'mol hi! O' was is des an Sach!

Die Schwamma skippa ueber's Feld—Die felder is die beest! Un' seest du, dort am Guebleck, Es Haus von Stoppin' un' von Dreck!—Sel is e' Schwamma Nesch.

Die yunge laia still just now, Un' schlofa alle sound; Wart bis die Alta Kressa warn, Nord herost die a' awer groes gelarm, Von Meuler all around!

Ya, alles des is noch wie's war Wo Ich noch wie's a' Buh; Doch odere Dings sin' net meh so, For alles des was I see—ach! Wie Ich nesch enera thu?

Ich steh, wie Oeslan in selm Thal, Un' seh is woska Spiel;—Der agt mit Fued an' Aeser—ach! Die Aeser Kamma was Ich laeh!—Kanscht denka wie Ich fuehl!

Do bin Ich gange in die Schul, Wo Ich noch was gams Kies; Dort war der Meuler sein Stuhl; Dort war sel Wip, un' dort sel Ruhl;—Ich kann's apoh silba seh!

Die lange Decks ring's an der Wand—Die gress Schuker d'rum; Uf ahaer Feld die gress Maed, Und dort die Buwe—net so blaed! Guk wie sie poest' rum!

Der Meschter watcht's sie close just now—Sie gress besser s'cht; Dort Saller wo love Letters schreibt, Un' Soller wo sel Spoocha treibt, Un' Saller Keri wo lacht.

Die gress un' die kleina all, Sin' unner eeser Rale; Un' des is yash' der rechte weg; Wer Rules verberdich der nemmet sie Sohleg Oder verlost die Schul.

Imwendig un' der Ofn' rum, Hocka die kleina chaps; Sie study all gar hart, you see, Un' wer net lert sel A. B. C, Sel Ohrs kriega Rapps.

S'is hart so hocka of so Beak,—Die Fues net of em Floor; Es mancher kriekt sin wasser Bueck, In sellem Schol-haus an der Krick, Un' fuesha about right sere!

Die arma Drey! dort hocka sie In misery!—yuscht dank! Es is ke' wummer' nem my Wort—Dreie sin' sel lerna dort Uf silba hocka Beak.

Mit all de Drawbacks anhow, Wars doch a' sine-wate Schult; Der Meschter hat d'rum' sel gah such—Der cyphers has d'rum' sel gams Buch, Un' Aeser' hat selma Buch.

Boss war er! Ya, des sin' Ich k'esh; G'wip hot of all around; Gar kretlich g'rae silles observed Un' wer Schol' kriekt hot, hot's deserved Completely, I'll be bound.

Was's Dinner war, un' Schol' war aus, S'end hot un' gah gefuelt; Deal han der India-gams geboest, Deal sin' a'ch' in' der same amused, Un' deal han selger g'aplel.

Die gress Maed' han anagert—Dr' Buwa haw' kettel! Zu haff, un' a' deal pretend,—Der Meschter hat sin' gams gessend! Die Kulek hen's net-ariet.

Die Kiepa Maed' han Bing gespielt, Uf sellem Wass' do; Was gress Maed' sin' in der Ring—'S is doch e' wummervollas Ding!—Sin' gress Buwa a'!

Die gress han, die gress tagg—Die kleina all vermist! Wie sin' sie g' sprunga, ab un' uf, Wer g' wonna hot—verlos diah druf—Hot tuechtlich gekieset!

Am Christag wa' die rechte zeit—O wan Ich yuscht d'ra' denk! Der Meschter hen mir naus geperrt, De Tuer' and Fenster wess gebarrt,—'Nau, Meschter, o' Geschoeck!

Nord hot er mightly brohrit, Mit force su komma net; Un' ich hen—als er hot geklopt—In Schrelwe sinna naus gezoep't, 'Wan's selneht dan kanah' du rei.'

Nau hot der Meschter rans gelanst—Gar Kretlich sheepsch' g'uk!—Appel un' Keacht, un' noch meh, S'war yush' a' ment in fact recht schoe; Mir hen's mit Luscha'te k' sluck!

O wu sin' now die Schuler all, Wo hawa do gelert; A deel sin' walt awer gereset, By fortune of un' ab geoesat,—Deel hot der Tod geernt!

Mol Heris schwellt mit Gedanka uf, Bis Ich schlier gar veranick! Kenn' heula's gut mir tan so leed—Un' doeh' geh' mir die gresschte Freed, Des Schol-haus an der Krick!

Miscellaneous.

(From the Toledo Blade.) NASBY.

The nomination of Rosecrans in Ohio—a Dream.

PEPPER'S TAVERN, Holmes county, Ohio, July 12, 1869.

I left the Corners the day after I lost my position, and without any speshel purpose wandered up into my old stampin grounds in Ohio. I wuz reed with a corjality wich affected me profoundly.—Them wich hed bin turned out of offices cood sympathize with me, and them wich hed never got em felt it still more deeply, ez they eggagrate the benefits to be derived from offhul poishen, and actilly wonder how a man wich ever held an office could survive dis capitashen.

I hed no difficulty in borrowin snuff dollars uv the sturdy yeomanry uv this section to not only keep me afloat here for a time, but to provide agin a passage through an ablishin country of sich need be. My expenses here will be light, ez I am boardin and drinkin on tick exclusively. I told the landlord the first day to mark it down ez it wuz inconvenient to make change fifty times per day. He possibly may wish he had taken the trouble to make change.

The day after the Democratic State convenshin at Columbus we held a informal meetin uv the Democracy at the tavern to wich I wuz stayin, the most uv the veterans sein there. The scen reminded me uv Bascom's so much that I actilly aseed tears. Democracy is alike every wherp.—Ther wuz the bar, with the big-bellied bottle with tany in it, and the big-bellied bottle without tany in it; ther wuz the box uv pipes, the two lemons wic are doomed never to be yoesed, ez lemon-joose weakens liker; ther wuz Pepper, the landlord, with his sleeves rolled up, a leanin onto his elbows onto the bar; behind him a portraits uv Jackson, on his comin steed, wavia his sword toward the British; beside it a hand-bill for a mass convenshin uv the Deratrick last year, commenshin with the trooly orthodox fine: "Do you want to marry a nigger?" in large black type, with a picture uv Wendell Phillips kissin a wench, at wich the Democracy have indignated reglery for ten years. Seetid on bustid cheers empty nail kegs, and leanin on the bar, wuz a group wich wuz simply a dooplickit uv the X Roads, and so akkerit that I ought myself sayin "Deekin" lots uv times. I sed "captin" to a man who wuz so neer like McPelter ez to justify the suspicion that the father uv the present Hugh hed many years before bin a citizen uv that vicinity, but I wuz keeful not to do so agin. Ketchin me by the throte, he starnly remarkt: "Sir! don't put any uv them titles onto me, sir. I wuz no captin, thank heven." He wuz passified when I told him that his remarkable resemblance to a Conditr' capitan' exagerrated the mistake, wich pleased him so that he to wast askt me to take suthin. This opened a new field to me wich I worked. I diskivered to wurst an amazin resemblance between all uv em and distinguisht Southern commanders.

While waitin the return uv Squire Pettibone, wich wuz a delegate to the State convenshin, we fell to talkin uv the old times wich tried men's soles in the earlier years uv the war. Pepper, the landlord, gave a most affectin rememprance uv the shootin uv two returned veterans in the very room in wich we sot. The spot on wich they fell he hed put the stove over that it mite be asered. Mr. Bortis, an old saint, whose nose was lightin his pathway to the toom, hed a more tragicle tale to tell. He wuz one uv them wich shoifdered his fowlin feet to resist the draft in his country, and was taken by bloocated hiroslin and caried off to Camp Chase, whers he wuz kept in doornance vile for weeks, with nothin whatever to live onto but yoostral rashesn uv of a soldier! One uv the old relies uv the war, wich his name it wuz Rabbit, accompanied Vallandigham through the lines, wich lines wuz commanded by Rosecrans. He wuz present when that accused viflain—that fool uv the despotic ape Linkin—hed the impudences to abus or martyred saint, and his blood billed ez he heard it. At this pint the entire assemblage profaned. The letter uv Rosecrans to the Leglslater uv Ohio wuz dooly read, and the audashus sentiments therein contained wuz dooly and emphatically damned. Ez the likker circulated, we got more a id more enthousiastic on this pint, and our blood warmed and throbbod vilyently through our veins ez we tosted Vallandigham and forever and ever cursed the wretched hiroslin who apprest him, and through him us.

Finally we heard the rumblin uv wheels over the hill and we knowd that wuz Squire Pettibone a comin from the stashin with the news uv the convenshin. He drove up and we rushed out to greet him. "For for—who shal we, ror for?" exclaimed Pepper.

"For Vallandigham!" sed another. "For Carey!" sed another.

"My friends!" shouted Pettibone, "My friends, ror for Rosecrans and victory."

"What?" remarkt a dozen uv us. "Who?" remarkt the others.

"Hell!" remarkt the balance. "Yoor triflin with us!" remarkt Pepper.

"None uv your jokes," exclaimed Bortie.

And the astonisht Pettibone wuz in danger uv bein roughly handled. But he finally convinst them that Rosecrans wuz reely and trooly the Democratic nominee, and that it was no joke whatever.

I hed a great deel of trouble with em. The wuz bound not to touch Rosecrans, and they swore they hed bin betrayed and sold out. The platform, however, saved us. When I red it to em and explained how clearly it condemned the war by refoosin to pay the indebtedness incurred in prosekootin it, and how indignantly it spurned the administrashen and so on, they became cool.

"Ef Rosecrans lez reely come to us," I sed, "let us open our arms and take him in." They retired not pleased, but in such a state that I hev no doubt the heft uv em will vote, as yooesul, an unscratcht tickit. They took down Micklelaun—why not Rosecrans?"

That nite, after I retired to my virchus couch, I fell into troubled sleep, and dreamt. The dream wich afflicted me was more instructive than entertainin.

Methawt the Democracy uv Ohio wuz in council, seekin for a leader in the comin confick. They trotted out in review, all uv em; but they couldn't find a man in the party, who wuz not so fearfully defective ez to be totally and entirely worthlis for the poishen. Vallandigham wuz ez spotted ez a leper; Ranney wuz tinged with the rather advanced Democracy uv 1863, and the other men spoke uv wuz full uv politike ulcers, bites and running sores. The menush un' their names made the people hold their noses. One, more wise than the rest, in a fit uv inspirashun sung out "Rosecrans!" and the ijes hit 'em. Rosecrans wuz trotted out and they fell to admirin him. He wuz well blit and comly, and his figger showed strength and endurance. He wuz encased into a glitterin coat uv bloo, onto wich shone the most gorgus decorashen wich cood be conceived. In letters uv life uv exceedin brilliancy wuz the words "West Virginny," "Stone River," "Iuky," and "Chicamauga," with the names uv other achievements more or less notorius, and these decorashens, with his epaulettes, military sash and award, spurs and sich, enveloped him from head to foot in a brilliancy the gorgousness uv wich wuz beyond compare. The managers uv the show wich trotted him out squinted at these things a mimit, but more pertiklerly at the multiloody wich surrounded them, to see the effect wich it perlodost upon em, they slidin out uv site as he advanst, so that they woodent obstruct the view. The site took the people; ther rose up from the throng a most enthousiastic cheer, and haws went up into the air by thousands.

"If I'll do it!" Thank the Lord, it'll do!" shouted the managers, and they immediatly fell to embrac' him in their extacy. Vallandigham fell onto his neck, but the spot whers his hands struck the general obliterated "West Virginny!" another delegate's paw blotied out "Stone River," and the next embrac' bustid "Iuka," "Chicamauga," and the rest uv it. An anabant delegate from Holmes county, wich had taken an active part in the resistance to drafts, silly drawd his sword and threw it away; another delegate hocked off his spurs; a third snaked off his epilette, and before the poor fellow knew wat wuz bein done to him they hed gobblid pretty much all uv the ornaments wich had glittered so bravely onto him.

"Don't—for Heaven's sake, don't," ejacilatid one who wuz a candidate for a county offis in a close county. "Wat are you doin?"

"These things must come of uv him to make him acceptable to our people," and they eagerly stripped off one thing after another.

"Git out of the way, there!" shouted another party bolin up; "pnt these resolooshens onto him and he's reedy."

They clapped em over him—he staggered and gasped, but managed to stand up. "For Heaven's sake!" he said, in a plegin' tone, "For Heaven's sake, take this off."

"Impossible!" returned them wich hed the matter in hand. "You're all rite now; stand aside, all uv you, and see how the people take him now."

They stood aside, but to their surprise the people turned up their noses ez though they smelt suthin, and hissed ominously in a plegin' tone.

"Show us our Rosecrans," replied Vallandigham, puttin' his arm round his neck affectinly.

"We don't know him in them clothes and in sich company," returned the multiloody, leavin in disgust.

In my dreams the managers, when they saw the multiloody treat their man so akornfully, fell to revilen uv him. I awoke jist ez he wuz a tryin to git away, battered, bruised, besmeared, and besmiched.

I thought, ez I lay ponderin on the vision, that possibly, when a soldier trades his military retapashen for a nomenashen of our hands, it does strike the people jist ez tho he hed traded uniforms doorin the struggle, and that possibly the specelashen won't pay either him or us. But wat kin we do?
