PIT SCHWEFFLEBRENNER. NASBY.

Mr. Nasby in a Despondent Frame of Mind— The Members of the Kentucky Legislature Refuse to Stand by Principle. [From the Toledo Blade.]

LOOISVILLE, (wich is in the State uv Kentucky,) Feb. 9, 1870.

I don't know that reely there's any more yoose in livin on this earth. The Fifteenth Amendment is adoptid, and a nigger Senator will take the seat in the Senit wunst okkepied by that marter, Jeffson Davis. It's about time for me to go hentz—I hev no desire to remane. I wood like to stay long enough to consoom the contents uv a red-headed barrel in the back-room uv my blessid grosery in Noo York, into wich I haint, ez yet, put no water, and probably I will. I think I shel go home, shut myself up in that back-room, drink that par-tikeler barrel dry, and fall dead across it. Like Sardanapulus, my kingdom being gone, my funeral pile shel be my throne. I came on to Kentucky to aid by my counsel the Dimocrisy uv that State, in the present crisis. The nigger Revel hez a seat in the Senit uv the Yoonited States, and uv course, no white Kentucky Dimocrat kin so degrade hisselfez to set in that body beside him. I expected, uv course, that Garret Davis and McCreery wood immejitly resine, and ez no native-born Kentucky Dimocrat wood take the place, and ez Kentucky could not afford to be representid by a Ablishnist, it okkurred to me that possibly there mite be a chance for me. I am a Northern Dimocrat by birth, and Northern Dimocrats have alluz done sich work for the Southerners, ez the Southerners countid too dirty for em. The only thing wich cood stand in the way wuz the fact that I left Kentucky a year ago, and am now a citizen uv Noo York. But wat uv that? I kin swear I am a citi-zen uv Kentucky—I hev bin in Noo York politics enufi to be able to swear to anything.

At all events I went on to my old State and got together a caucus uv the Dimo-cratic members uv the Legislacher to consider this thing.

The Chairman uv the caucus remarkt that the signs uv the times indikated trouble. Kentucky, ef that nigger wuz admitted to the Senit, wuz virchually disfranchised, for uv course Davis and McCreery cood not remain in their seats beside him. No Kentucky gentleman wood disgrace his proud State by practically takin to his buzzum a male member uv an inferior race -uv acknollegin his eqality, and workin quietly with him. Never ! Sooner than see this he wood be willin to see the States further South inoggerate another struggle for their rites, in the event uv wich, Kentucky, troo to the yoonyun, ez before, wood preserve a strict and dignified nootrality by milis horses and provenden imgentlemen wood express their views freely.

A gentleman from the eastern part uv the State offered the following preamble and resolutions :

Wareas, The Senit ov the Yoonited States is about to admit to a seet in that body a nigger; and

Wareas, No Kentucky Dimocrat wood degrade hisself by sittin beside a nigger; therefore, Resolved, That Hon. Garret Davis be

instructed to resine to wunst. The resolooshuns passed to wunst, with-

out a dissentin voice, and were sent by telegraph to the Senators at Washington, after which I begged permission to offer a het ich aw gærn dos ders in eier tseitung nei dunt dos ich an agent bin. Gebt notice tsu olly feit dos mei kumpany de made vacant by the two eminent men who wuz about to leeve the Senit, but nevertheless Kentucky coodent afford to go unrepresentid. Is there no northern man uv Kentucky principles who will rush to the front at this crisis ? Twenty gentlemen sprang to their feet. The one who got the eye uv the chairman remarkt that Kentucky shood alluz be represented by Kentuckians. Davis and Mc-Creery, cleerly ought not to stay. They shood resine to wunst ez a protest agin this outrage, but cf Kentuckians cood be found who wood accept the places they should be found. Takin em ez they wood ez a necessity, there woodent be the stigma attached to em that there wood be to the present incumbents of they shood remane, and possibly sich mite be found. The Chairman doubted whether there wuz a Kentuckian who hed so little re-speck for hisself. Ef a Kentuckian wuz selected it shood be from the membership uv the Legislacher. He felt that it wuz the dooty uv some two uv em to sacrifice theirselves on the altar uv their State. It wood be a bitter degredashun for a man filled with the memories uv the past, to choke down nateral pride, and take a seet by a nigger, but some one must do it. He wood sejest that the members proceed with system in this matter. Let us designate, by ballot, our wishes. Let us vote for a man to fill the place to be made vacant by G. Dayis, and let the member upon whom this dooty devolves, accept the sacrifice in the troo Kentucky sperit. Gentlemen, prepare yoor ballots for a successor to Davis, and get ready to shed a friendly teer over the fate uv the man upon whom the degredashun falls. This wuz agreed to, each member remarkin that no matter who wuz chozen, there wuz no law to compel him to be electid and set beside a nigger. The members each voted; the votes were counted out, and, horror! each member hed precisely one rote, and the loosenis uv the hand-writin on the tikkits made it painfully certin that each member hed votid for hisself! Ez my hopes wuz bustid I coodent help singin out that a more self-sacrificin body uv men I never saw ! Then commenst the most fearful squab-ble I ever witnest. Gentlemen got by the ears, and pistols wuz drawd, but jist ez they were gettin ready for a sekkond ballot, a dispatch wuz received from Davis surick dos es kosht, un noch an extra i and McCreery, statin that while they ap-onus besides. Der cash in capital unser kumpany is finf ooashen, and felt it keenly, nevertheless, ez Kentucky must be represented in the Senit they rather thought they woodent resine at all ! Ef they knowd their own hearts they thought they'd hold on to their sects. They might as well be sacri-

The gentlemen mostly remarked 'II-1!' as this epistle wuz read to em, and disperst without the formality uv an adjournment. I hevn't ez much faith in Dimocrisy ez I yoost to hev. I sposed that when that nigger wuz finally admitted, that evry Democrat in the Senit wood resine : but

wat do I find? Not one hez done it, and whole Legislachers uv Democrats are willin to take seats beside him ! Wat kin we expect when men are so re-

creant to their manhood? Is it any won-der that I am tired uv life? I shel go home too Noo York to wunst. PETROLEUM V. NASBY,

She took in washin, and I talked politics at a neighborin grocery, investin the proceeds of her labor in the sustenance at the bar. When I returned wat met me? The killin uv men outright wuz not the most hartrendin incidents of that fraticidle struggle. It wuz the severin uv domestic altars and the separation uv families. When I returned I wuz coldly met. Looiser Jane was washing as yoosual, only harder than ever, and I notist the children hed new frocks and shoes. The fust afternoon I wuz at home I askt her in my old familyer way for a dollar and a half, ez I wanted to go down the street. "That's played," she remarkt. "Hevn't you got it," I askt.

"I hev," she replied, "and I propose to keep it. I hev diskivered suthin since that there wouldn't be room for it to yoove bin gone. I hev found that it's enuff turn." to support myself and the children, washin

It is when the years have grown grave that we are able to speak of "old friends;" hence, perhaps, a certain pensive ring in the words.
