Testing a Milch Cow. I submit the following points or specifications by which the value of a cow can be

ascertained for production of butter: The word "best," as it is generally used in premium lists, has so many meanings that the committee are at a loss to know just what its fullest signification may be. Some would consider one point of great excellence, while others of the same committee would think it of litle value. So far as I can learn, there is no list of points agreed upon by any agricultural society which offers premiums for that class of stock, and there is a chance for a wide variation of

For many years I have hoped that this subject would meet with that attention that it deserves. If a dairyman has a cow that is unusual in her yield of butter, her yield and treatment could be readily compared by an accepted standard of points. If he discovered in his cow certain excellencies not in the standard, he can make them known. Hoping that others of your readers will favor us with their views, I will offer a few of the requisites to be considered in making up a scale of points. Breed and age of cow. If thorough-bred, what breed. If grade, how graded.

2. Time of trial after calving. 3. Number of days of trial test : not less than five days at any one trial, and not

less than three trials in a year. 4. Quantity of milk in pounds quarts) to one pound of butter. 5. Pounds and ounces of butter when worked, salted and ready for market.

6. How the milk and cream were treated before and at the time of churning. 7. Gross weight of cow at time of giving

8. Kind and quantity of food. If pasture, what kind of grasses, and time of year. 9. Kind and quantity of grain and roots

fed, if any. All to be divided so as to make a scale,

who take cows to fairs where premiums are offered, would know what was expected of them. Every part of the contest would be open to all concerned and when committees had agreed upon their verdict, it would clearly explain their views to the competitors. In this way, as it seems to me. fair justice would be the result. The cow with the best record should draw the prize; not her owner. Each of the nine points can be readily comprehended, I trust. Brother dairymen, everywhere, please give us your views. Criticise my scale of points.— C. G. T., Galesburg, Ill., in Country Gentleman.

Mrs. Partington Says Don't take any of the quack rostrams, as they are regimental to the human cistern: but put are regimental to the human visicin. So proposed your trust in Hop Bitters, which will cure general dilapulation, costive habits and all comic diseases. They saved Isaac from a severe extract of tripod fever. They are the ne plus name of medicines.

Montreal Heard From. R. L. Mosely, of Montreal, Canada, certified Sept. 27, 1879, that he had suffered terribly from dyspepsia, and was completely cured by tak-ing Warner's Safe Bitters. He says: "My appetite is good, and I now suffer no inconveni-ence from eating hearty meals." These Bitters are also a specific for all skin diseases

CUTICURA!

HUMORS OF THE BLOOD, SKIN AND SCALP.

CUTICURA RESOLVENT is the most powerful Blood Purifier and Liver Stimulant ever com-pounded. In forty minutes after taking the first dose it may be detected in the saliva. blood, sweat and urine, showing that it has en-tered the blood and been distributed through-out the entire system. In its passage through the circulating fluids it meets with the corrupt particles of matter which foster and maintain disease, with which it chemically unites, de-stroying and gradually eliminating them from

stroying and gradually eliminating them from the system.

Hence its power to forever expel Scrofulous, Cancerons and Carker Humors, which uncheeked fill the body with foul corruptions, and rot out the delicate machinery of life.

CUTICURA, the great external remedy for all Humors of the Scalp and Skin, Ulcers, Sores and Discharging Wounds, is the most soothing and healing of outward applications. It speedfly destroys fungus and parasitic growtns, restores the oil glands and tubes to a healthy condition, and cures, when assisted by the CUTICURA SOAF, Discases of the Skin and Scalp which have been the torture of a life time. which have been the torture of a life time.

SKIN DISEASE, Great Sufferting for Sixteen Years. A Won-

derful Cure by the Cuticura Remedies. MESSRS. WEEKS & POTTER: Gentlemen.-CUTI-CURA REMEDIES have done me a power of good.

I have been afflicted with skin disease for sixteen years. Some days it troubled me more han others, but at night the itching nearly brove me wild.

I would scratch until the blood would run I would scratch with the blook would full
down my limbs.
I have had several physicians. Some said
they could cure me, but others said not.
I will say that before I used the CUTICHA
REMEDIES I was in a fearful state, and had given
up all hope of ever having any relief.
But, like a drowning man grasping at a straw,
theavent I would text the CUTICHA EXAMPLE. I thought I would try the CUTICUEA REMEDIES. about which I had read so much.

They have perfumed a wonderful cure for me, and of my own free will and accord I recommend them. Yours truly, S. A. STEELE. 68 W. Van Buren St., Chicago, III., March 217,
