The Inconsequential Lemon.

Most people will be pleased to be reminded that the simple little every-day lemon will accomplish all that is claimed for quack medicines, and more.

The lemon is one of nature's best remedies, cheaper and pleasanter than quinine, and as an anti-scorbutic has no rival. It not only cures but prevents the scurvy and is the sailor's best friend. Its uses are manifold. On the toilette table, the festive board, and in the sick room, the lemon is invaluable. By rubbing the gums daily with lemon juice they may be kept in fresh, firm, ruddy health. The hands and nails are also kept clean, white, soft and supple by the daily use of lemon instead of soap.

Literary men and ladies should seldom have occasion to wash their hands with soap, which is a frequent necessity only of such people as coal-heavers, champion billiard players and editorial writers. Dandruff may also be destroyed by rubbing the roots of the hair with lemon. Neuralgia may be alleviated, if not cured, by rubbing the part affected with it. It is suitable to all stomach diseases and is excellent in jaundice, liver complaint and fevers. On the banquet board and for the evening symposium its uses are too numerous and well known to enumerate. The lemon is a native of Asia, although cultivated in Italy, Portugal and in the south of France. As an exotic, however, it seldom exceeds the dimensions of the smallest tree, while in its native state its grows to sometimes over seventy feet in height.

Obituary. Frank Bancey, of Columbia, a builder and contractor of considerable celebrity, and a most estimable citizen, died at his residence in that borough at half past 2 o'clock this morning, aged about 40 years. His disease was consumption.

Hattie S. Brown, daughter of Warren and Mary Brown, of Washington borough, died on Sunday morning, in the 20th year of her age. She was noted for amiable disposition and modest worth. Her funeral will take place on Tuesday at 10 o'clock. The services to be held in the Bethel church.

Fire and Fight in Columbia. On Saturday afternoon a frame house in Columbia, which is owned by the estate of Washington Lighter, caught fire from the spark of a locomotive. The roof was burned off the building when the fire was extinguished. During the fire two rival fire companies indulged in a free fight. There were plenty of bloody noses and bruised heads and several arrests were made.

Masonic Officers. S. G. I. Dr. A. E. Stoecker, 33, deputy for the state, Augustus R. Hall, 32, grand scribe of the Grand Chapter, and Charles E. Myers, 32, grand recorder of the Grand Commandery, arrived in this city this afternoon. They are on a visit to Lancaster today. They are to be met at the depot by a committee of prominent members of the Masonic order.

Kemble Surrendered. Wm. H. Kemble, convicted of bribery before the Dauphin county court, and who fled from the state to avoid sentence, has apparently thought better of it, as he passed through Lancaster in the Fast Line, at 3 o'clock this afternoon, on his way to Harrisburg.

Surprise Party. The old ladies of Washington borough held a surprise party on Saturday evening at the residence of Christian Breneman and wife, both of whom are aged people. The old ladies not only slighted the young folks but slighted their husbands also; but they nevertheless had a jolly time.

Presentation. On Saturday afternoon Bartley McGuire, ferman, and John Beck, assistant foreman, of Fatman's tobacco warehouse, were each presented with a handsome silver watch by the employees of the warehouse.

Police Cases. Before Mayor MacGonigle this morning there were a party of five vagrants and three disorderlies, all of whom were discharged except one, who was committed for five days.

Admiral Barr sent. Adolph Schmitt to jail for five days for drunkenness.

Rheumatism Sixteen Years. I suffered so severely that I was often robbed of my night's rest, a change of weather would have the most painful effect on me, for then I could not move my hands or feet. Half a bottle of Dr. JACOBS' OIL cured me.

Time Works Changes. Rev. Dr. E. Greenwald was expected to deliver his lecture on "The River Jordan and the Dead Sea" at Grace Lutheran church this evening. By special request the time of presentation has been changed to Thursday, April 15. Every student of the Bible ought to be present, as it is doubtless will prove as instructive as it is interesting.

A New Landlord. The old "Grape" hotel, so long and favorably known as a first-class house, has again changed hands. Mr. S. H. Cooper, of Mechanicsburg, Cumberland county, who took possession of it a few weeks ago, has retired and Mr. W. F. Finney, of this city, succeeds him. Mr. Finney is a pleasant and popular man, "knows how to keep a hotel," and will no doubt maintain the high reputation the "Grape" has always held among the traveling public and local patrons.

Announcements. "Kerry Gow."—On Thursday evening Joseph Murphy will return to Lancaster and will present for the second time in this city the brightly entitled "Kerry Gow," of which the Worcester Spy, the oldest paper in the United States, says:—"Kerry Gow," as presented by Joseph Murphy's combination, is one of the brightest, prettiest and most interesting, if not the brightest, prettiest and most interesting, of the Irish plays of the present day. The action is excellent, the dialogue as bright and crisp as a new bank note, and the situations varied enough to keep the audience constantly interested. It is not only purely an Irish drama, but it is a pure Irish drama."

It is the only remedy peculiarly adapted to the many ills the sex is almost universally subject to. Chills and fever, indigestion, deranged liver, constant or periodical sicknesses, weakness in the back or kidneys, pain in the shoulders and different parts of the body, a feeling of lassitude and despondency, are all readily removed by these Bitters.

From a well-known citizen of Chicago. CHICAGO, Ill., Jan. 1, 1880. H. H. Warner & Co., Rochester, N. Y. Gentlemen: I have used Warner's Safe Kidney and Liver Cure with the greatest satisfaction. It is the only remedy I have ever used that I can recommend to my friends, as it has cured me of Bright's Disease of long standing, after having visited the White Sulphur Springs of Virginia, and trying numerous so-called "remedies" of the day. Having resided here for nearly ten years, my friends and I depend upon it; there is no mistake about it. The discoverer is, indeed, a public benefactor.
