FRIDAY EVENING MAY 7, 1880. \$7,000 in Gold Under the Bed. Monmouth (N. J.) Inquirer.

Recently a lady from Keyport called upon W. K. Lyons, the numismatist of Freehold, and related a most singular story. She said that the authorities of Keyport were made acquainted with the case of a man named William Biers, who was apparently destitute, and in fact starving in that place. The authorities immediately appointed William Mor-He rell as guardian over Mr. Biers. began to make an inventory of the house and found to his surprise a number of boxes under the bed, covered over with carpet, containing gold and silver. One box contained \$7,000 in gold, including a great many \$20 gold pieces. The other boxes contained a large amount of silver, some dating during and after the Revolution. We might remark here that the first gold issue of money was in 1795, and in the colonies, 1785 and 1787. The first silver coins were Lord Baltimore's shilling and sixpenny, in 1659, for the colo-

White Lightning Religion.

Au Indiana Excitement—One of the Leaders
Tarred and Feathered. Walnut Ridge, Ind., a wealthy Quaker settlement northwest of Rushville, has lately been greatly excited over a new religion, which they call "White Lightning Religion." The excitement became so great the schools were dismissed and the people left their places of business and farms to participate. The leaders pretended to have supernatural power and held bodies of friends with attempts to revive them until burial was compelled by the authorities. A man named Pitts, a leader, married a woman imbued with the same faith and greatly maltreated the daughter of Pitts's first wife. He gave her a severe beating, compelling her to completely undress to receive it. This so incensed the irreligious neighbors that they went to the house in a body, tarred and feathered Pitts and left him a sample of the rope to be used if the religious frenzy is not checked.

Good Evidence. When such men as the Rev. Dr. Rankin-Rev. Dr. Harvey, Prof. Green, Dr. Bartine, Col. John K. McChesney, E. W. Neff, and a host of others equally trustworthy, certify over their own signatures to the marvelous efficacy of Warner's Safe Kidney and Liver Cure, in the diseases for which it is recom-mended, it is time to dismiss doubts on the subject.

Dr. BROWNING is a regular graduate of medicine, a skillful pharmacist, and a thorough chemist. His "C. & C." (Cough and Cold) Cordial is not the result of mere chance, but of long scientific research in chemistry and medicine, as is plainly seen by the rapidity of its action and its unparalleled efficacy. The expense in its manufacture is at least five times as great as that of any other medicine upon the market, and yet it is sold at the exceedingly low price of 50c.
