The Negro in Politics.

TUESDAY EVENING MAY 18, 1880.

A St. Bouis Times reporter has interviewed Professor W. H. Bell, a colored man of considerable intelligence, who has spent some time in Washington recently, and who professes to be posted as to the views and feelings of leading colored men. According to his statement a conference was held in Washington at which were present Senator Bruce, of Mississippi, Wears and others well known, and the conclusion arrived at was that "the time had come for the colored vote to demand recognition." And how that is to be done is thus stated by Prof. Bell: "We can see no better way for us to assert ourselves than to ask the second place on the ticket. Unless that is granted it is very questionable where the negro vote will stand in the coming election. Many leading negroes think of advising the colored men to abstain from voting, They do not design to advance Democratic principles, so they advise this course as the best thing for the colored men. The idea is to let the white men fight their own battle." That course, if pursued, would certainly defeat the Republican ticket, for as Prof. Bell truly says: "The negro is the balance of power in Ohio, and without his vote that state can not be carried for the Republicans.' The Cincinnati Enquirer says: "A decided majority of the white voters of Ohio are Democrats. Nobody denies that. The colored voters give Ohio to the Republicans whenever they carry it. The Republicans can not elect a president without the solid colored vote in Ohio, and yet the colored voters are not even accorded a delegate to Chicago. We believe they have one alternate." No wonder the leading colored men think the time has come for the colored vote to demand recognition.

Women Never Think ! If the crabbed old bachelor who uttered this sentiment could but witness the intense thought, deep study and thorough investigation of women in determining the best med cines to keep their families well, and would note their sagacity and wisdom in selecting Hop Bitters as the best and demonstrating it by keeping their families in perpetual health at a mere nominal expense, he would be forced to acknowledge that such sentiments are base my15-2wd&w

The Doctors Yielding. Ever since Prof. Green wrote to the Medical Record advising physicians everywhere to use the Sate Kidney and Liver Cure in their practree, it has been gaining in favor with the pro-fession. They can find nothing which is a sub-stitute for it. R. Caulkins, M. D., of Rochester, N. Y., says he would now prescribe it to all who are afflicted with serious kidney and liver diseases. myl5-2wd&w

Orpha M. Hodge, of Battle Creek, Mich., writes May 16, 1878; "I upset a teakettle of boiling hot water on my hand, inflicting a very severe scald. I applied Dr. Thomas Electric Oil, and take great pleasure in announcing to you that the effect was to allay pain and prevent blistering. I was cured in three days. We urize it very highly as a family medicine." We prize it very highly as a family medicine." Por sale by H. B. Cochran, druggist, 137 and 139 North Queen street, Lancaster, Pa. 20

STOP!

STOP!! STOP!!! Stop making a drug store of your stomach. Stop putting bitters, pills, liver invisorators, blood purifiers, calomel, blue pill, quinine, morphine, and all other drugs and quack medicines into your stomach, they kill instead of curing the body. This is my advice, after acting the physician for 31 years. If you'll examine the histories of nearly all medicine venders of these worthless compounds have all died prematurely. Where is Schenck, Swayne (father and son), Brandreth, Ayers, and the sick who have cured all kinds of diseases when others fail, and I place my medicines (not poisons) on the outside of the body. To the sick who have tried one or twenty doctors, without any advantage, I would beg them to call and learn from scores of such persons who have been cured in a few days or weeks, at an expense of from \$2 to \$5. 16 Page Pamphlet free, full of cures. Over 100 astonishing cases in two months. John Goodman, rheumatism 19 years; Rev. J. Hunter, blind left eye for 16 years, sight restored: Wilson Hamilton, consumption 10 years; Christian Rooty, paralysis, brought to office in a carriage, can now walk anywhere; B. S. Kauffman, led in blind, can now see quite well; Chas. R. Leonard, catarrh and sore throat for years; Lewis Paulick, fits for 20 years, cured in a week; H. McGurk, dyspepsia lo years; D. N. Hughes, consumption and dyspepsia, gained 22 pounds. Catarrh cured for 50 cents.
