Last Week's New York Market. U. S. Tobacco Journal.

With the exception of sales of about 800 cases of '79 Ohio for export at 71 to 81 cents, nothing noteworthy occurred. The market has taken on a condition of almost utter stagnation. There is not the least evincement of any speculative movement. The situation is but natural, and was predicted by the U. S. Tobacco Journal many months ago. The dead-lock exists and will last till some of the shrewdest of the packers of the '79 Pennsylvania crop sell their packings the first chance they get, regardless of the investment figures. the U. S. Tobacco Journal's predictions, but they will not acknowledge it publicly,

This will take place soon. Most of the packers of that crop who operate in this market begin to realize the correctness of nor can they as long as they hold this stock. They even continue to pronounce the predictions and advice of this paper false, foolish and unwarranted; but this deception is practiced to make the neighboring holder "stiff;" to encourage him to ask a good profit; to induce him to refuse an offer and thus drive him into the arms of the deceiver, who is but too glad to unload at even a loss. We are positive that after such sales the sellers openly brag of the *profit* they have made on their sales. They thereby hope to retain their reputa-tion of being first-class packers, honest, shrewd advisers and exposers of the false, foolish and unwarranted predictions of the U. S. Tobacco Journal. There was a report that Messrs. Bunzl & Dormitzer had offered their packing of '79 Pennsylvania at 14 cents. The report is denied in toto as well as the one that Mr. C. H. Spitzner had sold to a Water street firm 400 cases

of the same class of goods at 15 cents. Sampling of all kinds of '79 tobacco continues, and the assorting of lots forms almost the only occupation of packers. The '79 Connecticut is as yet warm in the cases, and, of course, appears tender, but otherwise is very promising. The export sales of Ohio are already referred to above. Exporters show some activity in inspecting samples of new tobacco and in making officer for suitable parcels. They tinues, and the assorting of lots forms aloffers for suitable parcels. They are unanimous in the opinion that had the packers of '79 Pennsylvania heeded the advice of the U. S. Tobacco Journal and paid lower figures for the crop they could have disposed of all the surplus for export at a handsome profit. As it is, they cannot even come up to the expectations of holders of even the poorest of the crop. The total sales, including those for export, reached about 1200 cases, of which 200 were '78 Pennsylvania running, at 16 cents, reweight, and 180 cases '70 Ohio, at 104 cents, reweight.

Havana remains active and sales are easy. Holders of '79 are jubilant over the continued poor reports regarding the '80 crop and expect good profits on the investments, an expectation which not alone is justified by circumstances, but which will FROM THE BRINK OF THE GRAVE. undoubtedly be realized.

Sancho Panza. "Blessings on the Man," exclaimed Sancho Panza, "who invented sleep," Granted, San-cho, but is not he who restores peace to aching brows more blessed. Neuralgic and rheumatic brows more blessed. Neuraugic and rheumands sufferers who have obtained permanent relief from Dr. Thomas' Eelectric Oil ought to and probably do think so. The medicine relieves inflammation, external and internal. For sale II. B. Cochran, druggist, 137 and 139 North Queen street, Lancaster, Pa.

No Good Preaching.

No man can do a good job of work, preach a good sermon, try a law suit well, doctor a patient, or write a good article when he feels miserable and duil, with sluggish brain and unsteady nerves, and none should make the attempt in such a condition when it can be so easily and cheaply removed by a little Hop Bitters. See other column. au2-2wd&w

O. Bortle, of Manchester, Ontario Co., N. Y. writes: "I obtained immediate relief from the use of Dr. Thomas' Eclectric Oil. I have had Asthma for eleven years. Have been obliged to sit up all night for ten or twelve nights in succession. I can now sicep soundly all night on a feather bed, which I had not been able to do previous to using the Orl." Another writes: "I have been troubled with

Asthma for years; have used half a bottle of Dr. Thomas' Eclectric Oil, and the benefit I have received from it is so great that I would not take one hundred dollars for the balance it I could get no more."
