A Narrow Escape.

Jesse H. Moore, a farmer and butcher in attempting to drive across the track of the Wilmington & Northern railroad near Mortonville, was run down by a train, but escaped serious injury in a singular man-Two horses were attached to the dearborn in which he and his son, a lad of twelve years, were riding. The locomotive struck the wagon where the road runs between two stone walls, but wagon and horses were lifted from the track and carried a considerable distance. The horses finally dropped into a field by the side of the road, but the wagon remained jammed on the cow catcher until the train was stopped. Mr. Moore and his son were held fast by the wagon, and although the former was insensible when taken off, neither he nor his son was seriously injured. The horses also escaped with a few slight cuts and bruises. The point of the cow-catcher struck between the front wheels of the wagon and the horses and in a few seconds broke the tongue and set the animals free.

BETHANY, ONTARIO.

GENTLEMEN.—I feel it my duty to say a few words in regard to the great benefit I have received from the use of one of the wonders of the world, that is Dr. Thomas' Eelectric Oil. I was one of the greatest sufferers for about fifteen months with a disease of my car similar to Uleers, causing entire deafness. I tried everything that could be done through medical skill, but without relief. As a last resort I tried the Eelectric Oil, and in ten minutes found relief. I continued using it, and in a short time, my car was cured and hearing completely restored,

I have used this wonderful healer successfully in cases of inflammation of the lungs, sore throat, coughs and colds, cuts and bruises, &c.; in fact, it is our family medicine.

Yours truly, MRS. W. J. LANG,

A Happy Restoration. I can truly say that I owe my present exist-ence and happy restoration to the hopes and joys of life, to the use of Warner's Safe Kidney and Liver Cure, and I say to everyone suffer-ing from any manner of kidney, liver or uri-nary trouble. "Use this remedy and recover." W. E. SANFORD. Holley. N. Y., Feb. 25, 1880.

There's nothing that will make a man smart There's nothing that will make a man share so quick as good strong horse Linament, and nothing will cure wounds, cuts, bruises, burns, etc., so well as Dr. Thomas' Eclectric Oll. Brandy as a Medicine.

The following article was voluntarily sent to Mr. II. E. Slaymaker, Agent for Reigart's Old Wine Store, by a prominent practising physician of this county, who has extensively used the Brandy referred to in his regular practice. It is commended to the attention of those affected with

Indigestion and Dyspepsia.

BRANDY AS A MEDICINE. BRANDY AS A MEDICINE.

This now much abused Alcoholic Stimulant was never intended as a beverage, but to be used as a medicine of great potency in the cure of some of the destructive diseases which sweep away their annual thousands of victims. With a purely philanthropic motive we present to the favorable notice of invalids—especially those afflicted with that miserable disease Dyspepsia, a specific remedy, which is nothing more or less than Brandy.

The aged, with feeble appetite and more or less debility, will find this simple medicine, when used properly,

A Sovereign Remedy or all their ills and aches. Be it, however strictly understood that we prescribe and use but one article, and that is REIGART'S OLD BRANDY,

Sold by our enterprising young friend, H E SLAYMAKER. This Brandy has stood the test for years, and has never falled, as far as our experience extends, and we therefore give it the preference over all other Brandies, no matter with how many jaw-breaking French titles they are branded. One-fourth of the money that is yearly thrown away on various impotent dyspepsia specifics would suffice to buy all the Brandy to cure any such case or cases. In proof of the curative powers of Reigart's Old Brandy,

In cases of Dyspepsia, we can summon num bers of witnesses—one case in particular we A hard-working tarmer had been afflicted with an exhaustive Dyspepsia for a number of years; his stomach would reject almost every kind of food; he had sour eructations constantly—uo appetite—in fact, he was obliged to restrict his diet to crackers and stale bread, and as a beverage he used McGrann's Root Beer. He is a Methodist, and then, as now, preached at times, and in his discourses often declaimed carnestly against all kinds of strong drink. When advised to try

Reigart's Old Brandy, In his case, he looked up with astonishment, but after hearing of its wonderful effects in the cases of some of his near acquaintances, he at last consented to follow our advice. He used the Brandy faithfully and steadfly; the first bottle giving him an appetite, and before the second was taken he was a sound man, with a stomach capable of digesting anything which helphose to cat. He still keeps it and uses a little occasionally; and since he has this medi-

cine he has been of very little pecuniary be fit to the doctor.—A PRACTISING PHYSICIAN. H. E. SLAYMAKER,

DR. GREENE

Is exceedingly happy to announce to his numerous friends that his wife and self have safely returned from nearly a seven weeks' tour through a portion of ninestates, riding and sailing nearly 3,000 miles. Dr. Greene is now ready to help all sick persons to regain their health. His attendant says in one week of his absence 107 patients called to see him at his offices. The following appeared in the Columbia Courant of June 17, 1880:

FROM THE BRINK OF THE GRAVE. As nearly everybody in Columbia knows Harry Long has not for two years past been ex-pected to live from one week to the other, nearly all of which time he Harry Long has not for two years past been expected to live from one week to the other, nearly all of which time he has been in bed or propped up in an arm chair. During this time he has taken medicine enough to kill a dozen people-pounds of pills and powders and barrels of liquids, Mr. Wm. Paxson, and others who had been looking after the wants of Mr. Long, prevailed upon him to try Dr. C. A. Greene, of Lancaster, and I am pleased to say the effect of Dr. Greene's treatment is magical. The sick man is now almost like one raised from the grave. He is now out visiting friends, and a few days ago was in Lancaster city to offer congratulations to Dr. Greene in person. Well! weil!! Wonders never cease.

Its curative properties in violent and chronic forms of the following diseases have been attested to by the most Eminent Physicians:

Dyspepsia, Self Abuse, Headache, Dizziness, Sexual Exhaustion, Spermatorrhea, General Debility, Impotency, Premature Decay, &c.

It has been in use for over forty years, and is to-day the most popular remedy for the diseases above mentioned in the WORLD. It can be used without regard to diet, is pleasant in iaste, and better than all, it is a sure, safe and certain cure. It is no quack medicine, but stands upon its own merits, as any trial will amply demonstrate. Since 1836 this remedy has always been sold for a much larger price than that for which it is now sold; but owing to the act that the time for the payment of an enormous royalty upon its manufacture has expired, it is offered to the suffering of both sexes at one dollar per package, so as to be within the reach of all; ac which price it will be sent to any address tree of further charge.
