

COLUMBIA NEWS.

OUR REGULAR CORRESPONDENCE. The Hand Fair—Close of Sunday School Convention—The Citizens' band fair now being held in Company H armory is drawing near its close, and as yet without any of the desirable results anticipated. Every evening since the opening night a visiting band has been in attendance and offering attractions have been provided with the hope of drawing out citizens, the music-loving ones especially, to the assistance of the enterprise, but so far without avail. The members of the organization feel very sore over the reception which they have received and some of them express themselves very bitterly on the seeming slight. Without money the band can do nothing, and it is with the intention of replenishing their treasury and at the same time giving an equivalent for it that the fair is being held. It is to be hoped our citizens will soon see that they owe something for the music discoursed by the band and that they must pay their debts. The shooting match to be held here to-day will take place at 12 o'clock, noon, on Millin's field at the head of Locust street—the field where Capt. S. circus recently gave a performance. Rev. Charles Winkler, pastor of the Church of God, of this place, will preach a sermon in the Bethel, corner of Seventh and Walnut streets, on next Sunday. Putnam circle, No. 113, B. C. (H. F. C. A.) of Columbia, last evening. W. H. Swinger and Annie Torbert were united in marriage last evening, at the parsonage of the Presbyterian church, by Rev. J. McCoy. The citizens' band last evening, serenaded Miss Fannie Hanauer, who recently returned from Europe. Miss Mary Bowman, of Marietta, with her friend Miss Weaver, were visiting Miss Mazie E. Purple, in Columbia, last evening. Rev. F. W. Staley, pastor of E. E. Lutheran church, and Charles P. Scheiner, a delegate, left here yesterday, to attend the East Pennsylvania synod of the Evangelical English Lutheran church, now holding at Allentown, Pa. On leaving him the reporter called at the office of Dr. Foreman, and found there Dr. John L. Atlee and Dr. M. H. Ller in consultation with him relative to the case. The doctors were not prepared to give an opinion as to whether the boy was or was not suffering from hydrophobia, and not wishing to be obtrusive the reporter bowed himself out, promising to see them later. Correction. In noticing the arrest of Frank Sanson and Wm. Weise for indecent behavior, and their hearing before Alderman Donnelly, of the Seventh ward, we stated that a counter-suit had been brought by Mrs. Howater and her daughter. The counter-suit was brought before Alderman Barr, not before Alderman Donnelly, who, after his severe reprimand to the boys for their misconduct, had the case referred to the Alderman Barr, who was not aware of the boys' misconduct towards the Howaters when he entertained their complaint. Horse Stealing. Last night the premises of Mr. J. W. Myers, Wintner station, east of this city, were invaded by thieves, who stole from his stable a heavy-set dark bay mare, 14 hands high, with white feet and star in the forehead, and with mane flowing to the left side. They also stole a piano box buggy with full leather top, made by Altick & Son., of this city. Detectives are on the track of the thieves, but at last accounts had not overtaken them. Alleged Embezzlement. E. H. Koehler had a hearing before Alderman Spurrier, yesterday afternoon, to answer a charge of embezzlement, by a counter-suit brought by A. M. Brighton, who deposed that Koehler was Brighton's agent collected money for beer belonging to Brighton and appropriated it to his own use. In default of bail the alderman committed the accused to jail to answer at court. Going to the State Fair. This morning a large number of persons left on the 8:10 train for Philadelphia, to attend the state fair. Shooting Match. At 10:10 this morning a large crowd of sportsmen from all over the county gathered at the shooting match in the big shooting match to-day. Ask your druggist for Prof. Gullmeier's French Kidney Pain, and take one. Excursion! Last Chance! Another cheap excursion to Philadelphia and the state fair, on Saturday, Sept. 19. Tickets for three days, to return on any train. Fare for the round trip only \$1.25. Special through train leaves Lancaster (King street) at 6 a. m. and Columbia at 6 a. m. "The Four Seasons" To-night.—This evening Graves's comedy company will appear at Fulton opera house in the play of "The Four Seasons," which had a very successful run at the Walnut street theatre, Philadelphia. The cast is said to be a strong one, and the play itself to present phases of humor that have won for it no small degree of favor. It is made up mainly of pleasing scenes, and the performance of the members of the company are artists in their particular lines. HYDROPHOBIA.

Another Supposed Case in the City. A painful rumor prevailed this morning that little David Ziegler, aged six years, an adopted son of Frank Ziegler, No. 492 Manor street, was attacked with hydrophobia, a strange disease resembling hydrophobia. The child was bitten about the 1st of August by a setter dog belonging to the father. The dog was at the time lying at the back door of the house, and the boy wanting to pass it struck it a slight blow, whereupon it flew at his face and bit him on the hip and lacerated one of his eyes. He screamed so loudly that it required the services of Dr. Foreman to see it up. The dog was not supposed to be mad, but as it had shown itself to be vicious it was killed. The little boy's wounds healed nicely, and the affair was passing out of the minds of his adopted parents, when yesterday morning the child was taken suddenly ill. He could eat no breakfast, refused to take his coffee, and asked for water, a little of which he drank, and then complained of feeling cold. His eyes became much dilated and at intervals he appeared to be unable to talk. He was induced to take some warm tea to warm him up, and soon afterwards complained that he was burning all over and felt sick. In the afternoon Dr. Foreman was sent for and gave him some quinine medicine, and left some for him to take at intervals. He resisted taking it and some force had to be used in administering it. He frequently shuddered and screamed, complaining of pain in the chest. Hearing that Dr. Foreman had expressed a fear that he might be suffering from hydrophobia, a representative of the INTELLIGENCER called Mr. Ziegler's this morning and found the lad in much the same condition as reported above. He is a bright and intelligent little fellow and at times talked cheerfully, but suddenly would cry out and gasp for breath and in a moment afterwards appeared to be dead. His pulse was weak, his tongue a good deal coated, and the pupils of his eyes dilated, and the expression rather glaring. He has eaten nothing since Tuesday afternoon, and appears to loathe the food. He seemed pleased with a small picture of Hancock given him by the reporter, recognizing it at once, saying that it was Gen. Hancock, and that he was a Hancock. On leaving him the reporter called at the office of Dr. Foreman, and found there Dr. John L. Atlee and Dr. M. H. Ller in consultation with him relative to the case. The doctors were not prepared to give an opinion as to whether the boy was or was not suffering from hydrophobia, and not wishing to be obtrusive the reporter bowed himself out, promising to see them later. "Well, what if that is so, I will give this minute and get for my poor George. I know hops are good." "Brown's Bronchial Troches" are used with advantage to alleviate Coughs, Sore Throats, Hoarseness and Bronchial Affections. For thirty years these Troches have been in use, with annually increasing favor. They are not new and untried, but, having been tested by a Pure Native Wine, produced from the grape generation, they have attained well-merited rank among the few staple remedies of the age. The Troches. "Brown's Bronchial Troches" act directly on the organs of the voice. They have an extraordinary effect in all disorders of the Throat and Larynx, restoring a healthy tone when relaxed, and protecting the delicate membrane from cold and protracted inflammation. They are also a valuable remedy for all cases of hoarseness, and for all cases of throat irritation. Speakers and Singers find the Troches useful. A Cough, Cold, Catarrh or Sore Throat requires immediate attention, as neglect often results in some incurable Lung Disease. "Brown's Bronchial Troches" will almost invariably give relief. Inflammation is often cured by many of which are injurious. The genuine "Brown's Bronchial Troches" are sold only in boxes. The Value of Pure Wine in Sickness. The chief difficulty with reliable wines has been their scarcity and exorbitant price, but this has been removed by the introduction of a Pure Native Wine, produced from the grape by Mr. Alfred Speer, of New Jersey. We understand that he has submitted his wine to the test of many of our country's physicians, and all concur in its purity, medicinal properties and superiority to the best imported Port Wine. Most of them prescribe it in cases of debility, affections of the stomach and chronic complaints. It is also used in dyspepsia, indigestion, and in the treatment of a tonic, stimulant or diuretic treatment.—Examiner. This wine is endorsed by Drs. Atlee and Davis, and sold by E. K. Slaymaker. sep16-1617

THURSDAY EVENING, SEPT. 16, 1880. NIP AND TUCK. BUT PLAISTED ELECTED. MAINE'S CLOSE VOTE. BLAINE DOCTORING THE RETURNS. REPUBLICANS CLAIMING THE STATE. BUT THE DEMOCRATS CONFIDENT. Miscellaneous Telegrams. PLAISTED'S ELECTION SURE. NEW YORK, Sept. 16.—The national Democratic committee has just received the following dispatch from Portland: 384 towns give Plaisted 63,995 and Davis 67,828; Republican majority 1,833. In 1876 the same towns gave the Republicans 85,382, opposition 70,477; Republican majority in 1876, 15,115; Republican loss since 1875, 13,292. The 120 towns not yet heard from give considerable Democratic majority in 1876. There is no doubt of Plaisted's election. For Congress the contest between Lindsay and Philbrick is close and doubtful. The committee sent out this afternoon the following dispatch: "NEW YORK, Sept. 16.—Our latest information is to the effect that Plaisted has a clear majority of somewhere from 500 to 1,500. No amount of cheating which it is apparent the Republicans are trying to do can affect this result. Everything is being done to watch them and defeat fraud on their part. [Signed] "W. H. BANNUM, Chairman." BOUETTE'S BLUSTER. Reported Republican Gains. ANNECA, Sept. 16.—Returns received from 410 towns, a considerable part official, give the following vote: Davis, 70,965, Plaisted 60,657, Nye 174, scattering 355. Davis leads by 1,470 votes. There are yet 81 towns and 8 plantations to hear from, which voted last year as follows: Davis 3,427, Smith 1,758, Gareton 1,982; Fusionists over Davis, 1,313. If these 81 towns and 8 plantations have voted the same as last year Davis is elected by a majority of 100. The constitutional amendments are doubtless both accepted. PORTLAND, Sept. 16.—Five plantations and small towns of Somerset county, on the remotest upper waters of the Kennebec, received additional this morning, give Davis 193, and Plaisted 191; last year they gave Davis 130, Smith 132, and Garelson 51. Republican majority of 3 this year against a Fusion majority of 67 last year. Claiming Davis's Election. NEW YORK, Sept. 16.—At the headquarters of the Republican national committee in this city the election of Davis over Plaisted is claimed upon the base of a dispatch from Maine which states that Davis's majority will reach 1,450. The men have all been taken out of the mine except J. Gorgan, who is supposed to be dead. Discussing Lynch Law. NASHVILLE, Tenn., Sept. 16.—At Guthrie, Ky., last night, 200 men met and discussed the question whether they should visit Springfield and lynch the remaining negroes connected with the Laprade murder, but they afterwards dispersed. The six prisoners were brought here last night by the sheriff of Robertson county and placed in jail for safe keeping, by order of Governor Marks. IN FOREIGN LANDS. The River Nile Rises. CAIRO, Sept. 16.—The river Nile is rising badly. The cotton crop in the interior has suffered. Overlooked Its Banks. LONDON, Sept. 16.—The river Ouse has overlooked its banks, and crops and other property have been destroyed. The French Ministry. LONDON, Sept. 16.—The Paris correspondent of the Morning Post says: "The belief that De Freycinet will resign gains ground. The National names M. Jules Ferry as his probable successor, but I am assured, on good authority. The difficulty will be temporarily smoothed over and a crisis postponed." Candidate Withdrawn. BALTIMORE, Sept. 16.—Dr. Frank T. Shaw, Democratic nominee for Congress from the Second district of this state, has formally withdrawn from the canvass for reasons of a public and private nature impelling him to decline the candidacy which he had accepted. Another convention will be held. Philadelphia Republicans. PHILADELPHIA, Sept. 16.—The following nominations were made to-day by the Republican conventions without opposition: Judge of the court of common pleas No. 3, Thomas K. Finletter; corner, Dr. W. N. Janney; district attorney, Geo. S. Graham; city controller, Joel Cook. Hurt by Jumping from the Cars.
