DAY'S KIDNEY PAD!

A discovery which cures by the natural process.

ABSORPTION,

all diseases of the Kidney, Bladder, Urinary Organs and Nervous System, when nothing else can. It is comfortable to the patient, positive in its effects, and the first cure for those painful and much dreaded affections.

Diabetes and Bright's Disease,

while its cures of Gravel, Dropsy, Catarrh of the Bladder, Brick-dust Deposit, Painful Urination, High Colored Urine, Nervous Weakness and Pain in the Back seem more like miracles than cases of natural healing. The price brings it within the reach of all, and it will annually save many times its cost in doctor's bills, medicines and plaster, which at least give but temporary relief. It can be used without fear of harm, and with certainty of a permanent cure. For sale by druggists generally, or sent by mail (free of postage) on receipt of the price. Regular Pad, 25c; Child's Pad (for convenience of urine in children), 15c; Special (extra size), 50c. WEDNESDAY EVENING, OCT. 13, 1880.

AT FULTON HALL.

THE MEETING LAST NIGHT.

A SPLENDID SPEECH FROM DOUGLAS.

WARM GREETING TO JOHN W. FORNEY

B. F. Davis, esp., on the Platform—Local

With the double view of hearing the speeches of the evening and the election news the Democracy of the city crowded Fulton hall last night to its utmost capacity, and when the hour of opening the meeting had arrived every seat was taken, except those reserved for persons coming on a special train from Quarryville which brought up about one hundred besides those who had gone down from this city in the morning. As they entered escorting Colonels Forney and Douglas to the front of the hall, the speaker, who he would be pleased to meet the Democracy in any capacity. For 20 years they had been battling against odds. He hoped this city would remain Democratic as now. Four years ago the Democracy fairly won a victory over the sneaking and disreputable basest fraud which ever disgraced the political history of any country. Time at last sets all things even and in the providence of God the time has come to avenge this wrong. Garfield was a patriot and a man of high character. He will take his seat. A Democratic Congress will see that he shall take his seat. We are here to protest against sectionalism and "Republican iniquity." The Democratic party is a fighting organization in every State. The other party is a sectional party. The "business" scare of the Republican is the cheekiest, scheme ever heard. Were they the friends of the public they would sweep the country with irredeemable paper money? Business prosperity is not due to the Republican party, but nine-tenths of it was due to the providence of God manifested in good crops. That no party can interfere with the Republican party is no more entitled to say that the prosperity of the country is due to them than the Hog Ring can claim to have effected a big tobacco crop because last year they beat the Bill Ring. [Laughter and applause.]

Col. Douglas's speech.

Mr. Nauman then introduced Col. Henry Kyd Douglas of Hagerstown, Md., a former student of P. and M. College, adjutant to Stonewall Jackson in the Confederate army and now a leading lawyer and citizen of Western Maryland. He opened his remarks by referring to the local associations recalled by the present occasion. He need only refer to the fact that the only political speech he had ever heard before the war was in 1856, by Fulton on a stump for Buchanan. He went into the Republican party, the speaker went into the rebellion. Both are back again, and here in Lancaster laboring for the election of Hancock. The people who live on the lower banks of the Potomac are especially interested and in his opening referred to the local associations recalled by the present occasion.
