The Lesson of the Battle.

The chief alarm which thoughtful citizens will feel at the sweeping Republican victory comes from the proven fact that in times of general business prosperity the dominant party may elect any candidate to the presidency, no matter what may be truthfully said against his character.

ONE cause of regret our Republican friends cannot possibly escape if they are consistent; which, however, we cannot say is markedly characteristic of them; and that is that there is a solid North.

WEST Lampeter township gave the historic majority of 329 for Garfield. The Fifth ward also gave him 329—which is very like the Fifth ward.

ELM G. SNYDER was just enough of a "stove black" to polish off the Republicans of this city.

IN 1881—the Examiner's candidate, Grant.

WANTED—Another situation as political manager, by Theo. H. Reed.

DEMUTH was snuffed out.

MINOR TOPICS. THEY say the gunning is good.

THE news is simply disgusting.

THE ELECTIONS. GARFIELD AND ARTHUR CHOSEN. A CLEAR REPUBLICAN ELECTORAL MAJORITY.

PENNSYLVANIA STRONGLY REPUBLICAN. Lancaster City Right Side Up.

Returns of the presidential election, as far as received from the different states, are published in another column.

THE health of the Princess LOUISE will not permit her to return to Canada this winter.

ISABELLA McCULLOUGH, once a noted soprano singer, is dead.

THROUGH the accidental discharge of a pistol GEORGE H. LARSON, of Lambertville, N. J., Greenback candidate for Congress in the Fourth district, shot himself through the hand.

Mrs. JOHN DREW has been playing Mrs. Malaprop in Boston and an English gentleman visiting that city writes to one of newspapers to express his great astonishment at the manifest lack of appreciation shown by the Boston press.

POSTMASTER-GENERAL MAYNARD has directed that all magazines, pamphlets, and other like reading received at the dead-letter office shall hereafter, instead of being sold for waste paper, be distributed to charitable and reformatory institutions in and around Washington.

YOUNG KING ALFONSO is no sluggard. With down in winter and before seven in summer, he reads and works, and holds his councils before noon.

THE melancholy days have come, the saddest of the year.
