The following naive promise was offered as an irresistible temptation to a fair you maid: "I thank you," said she to her suitor, "but I can't leave home. Jim Webster's absent-mindedness is always getting him into trouble. He for-gets what he has said one minute after he has said it. Yesterday he was charged with stealing chickens from the Gilhooly mansion, which he stoutly denied, and the evidence was not sufficient to convict. The recorder, summing up the case, said :"Jim Webster, I know you to be such an infernal scoundrel that, if you had stolen those chickens, you would have gone back and carried off the coop." "I would have hab tack it along, too," responded the forget-ful culprit, "but it taint eben fit for kindl'n' de fire wid, hits so rickety and no account. A good story is told by George H. Adams, the well-known clown with Tony Denier's pantomime troupe. He, with several of the company, were standing in front of the Tecumseh hotel at London, Canada, a few days ago talking over matters in general, when two men came up close to the party and stood as if eavesdropping. Mr. Adams thinking it would be a good joke, as they were listening where they had no business, commenced to tell of a murder and how several men were all cut to pieces. He carried on the conversation for about ten minutes, when, becoming angry, he ordered the men away. One of them then stepped up to him and, producing a piece of paper and pencil, wrote the words, "We are both deaf and dumb, can't you do something for us." This was too much; the whole party broke into a laugh, and George acknowledging that the joke was upon him, "set 'em up.'

Indigestion

The main cause of nervousness is indigestion, and that is caused by weakness of the stomach. No one can have sound nerves and good health without using Hop Bitters to strengthen the stomach, purify the blood, and keep the liver and kidneys active, to carry off all the poisonous and waste matter of the system. See other column.

My medical bills were enormous, and I visited both the Hot and White Springs, noted for the curative qualities of the water. I am happy to say I am now a well man, and cured entirely as the result of Warner's Safe Kidney and Liver Cure. With such glotious results, I am only too glad to testify regarding the remedy which has made me so happy.

INVESTIGATION!

DR. GREENE has successfully treated over 1,000 of the most difficult chronic (so called) incurable cases during a nine month's practice. The most of them had been the rounds of the leading physicians of Lancaster county. DR. GREENE is ready at any time to meet a committee of the Lancaster County Medical Society at the Opera House or elsewhere to discuss the merits of Omnipathy and prove its superiority over all other pathies in vogue.

The people are greatly interested and demand the fullest investigation. Invalids are every week dying in this county whose lives could be saved. Is there any subject about which the masses are more concerned than which the masses are more concerned than restoration to health, and the prolonging of their lives?

Dr. G. originated and is now the owner of 29 Medical Pads. He especially warns the public against the numerous counterfeits now offered the people.

Dr. Greene does an exclusive office business. Patients who cannot call at his offices must send full description of afflictions.
