nue which was owned by Miss Fanny Sholtz and occupied by William Campbell as a cigar factory, was destroyed by fire. The fire was discovered shortly after 9 o'clock; an alarm was immediately given, and the Humane fire company was soon on the ground. The first two plugs which they attempted to open were found to be frozen but the third was all right. A stream was soon playing on the fire, but it was too late, and the building with its contents was almost entirely de stroyed. 200 empty eigar boxes, 400 pounds of tobacce, 3 cigar presses and 4,000 cigar moulds were burned. This stock was owned by Mr. Campbell and the insurance on it was \$450. That will probably cover the loss. The building was insured for \$150.

How the fire originated is not known. When it was discovered Mr. Campbell and family were at church. There was a stove in the building, which had a fire, in it and the fire may have started from that.

THE CITY LAMPS NOT LIGHTED.

Complaints from all Quarters—Gas Bills Heavy "All the Same."

One of the duties of the city police officers is to report to the chief of police, once a week, the condition of the lamps in the several wards and the number of them that are unlit. The report made this morning shows that not half of the gas lamps were burning last night. Officer Weitzel, of the First ward, says eight or ten were unlit in his ward. Officer Elias, of the Seventh ward says that only three gas lamps were burning in that ward last night, and Officer Shay reports only eight burning in the Eighth ward. Reports from the other wards are almost as bad. The officers say that very frequently the lamps are not lighted at all, and that many of them cannot be lighted because they are frozen, or from other cause. No such complaints are made relative to the gasoline lamps, and several of the officers affirm that the latter give a better light than the gas lamps. These unfavorable reports, coupled with the recent trouble at the gas works, and the customary heavy gas bill, about \$1,500, recently presented to the city, have by making the change.

There were 50 sleds of different kinds there, and there were probably 200 or 300 people. There were many very large sleds, some of which held from six to ten people. The hill was in excellent condition. The start was made at Charlotte street and the sleds ran down

past Water street, making a slide of over At this hill several slight accidents occurred during the evening. John Weitzel, son of Casper Weitzel, was thrown from a large sled and had his arm sprained. Colisions were frequent. In one of these one lar re sled ran into another, on which were riding two sisters, named respectively Katic and Annie Buskin, daughters of Mrs. Thoras Buskin, residing at No. 320 West Walnu, street. So severe was the shock of the collision that both girls had their ankles badly sprained, if not broken.
Kate was taken to the residence of John Sowers, West Walnut street, where she boards, and Annie was taken to the residence of her mother. This family has been trebly unfortunate, as Mrs Buskin on Monday last, fell on the ice and sus-

tained a concussion of the brain, from which she still suffers. Dinah's hill was also in fine condition last night, but as it is very steep it is the most dangerous hill in the city, and persons wishing to slide would rather go to safer hills. The crowd was small there last night; other hills in the city had large

The greatest remedy for this, the great, wise and good will tell you, is Hop Bitters—believe it. See "Proverbs" in another

Mothers! Mothers!! Mothers!!! Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? It so, go at once and get a bottle of MRS. WINS-LOW'S SCOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States.
