### ancaster Intelligencer. WEDNESDAY EVENING, JAN. 19, 1881 What is Fit to Eat.

N. Y. Herald. Science has its good points, but when it drops into meddlesome ways concerning human diet it might as well be informed that its proper place is in a back seat. After all the time that has been devoted to the work of teaching the public what should be eaten and what should not an English authority now comes forward in the most frigid manner and asserts that because some articles of food supply contain certain pleasing proportions of nutri-tive matter it is not to be supposed that the digestive apparatus can seize upon it and make the most of it. Evidently the time has come in which men who propose to live by eating might as well begin at once and set al! physicians at defiance. In spite of following physicians' instructions no man who had any money to spend ever starved to death. There is nutriment even in sawdust pudding, and the citizen who feels a sense of responsibility to his inner man cannot do better than go on eating just as he has done, if at the same time he devotes the proper attention to ablutions and exercise. The principal trouble at the present time with men who have well supplied tables is not so much with what is set before them to eat as with the proper disposal of such portions of the table supplies as may be indigestible, and therefore need to be disposed of speedily and prop

"How Are You My Old Friend ?" Asked a bright looking man. "Oh! I feel miserable, I'm bilious and can't eat, and my back is so lame I can't work." "Why in the world don't you take Kidney-Wort; that's what I take when I am out of sorts, and it always keeps me in perfect tune. My doctor recommends it for all such troubles." Kidney-Wort is the sure cure for billousness and constipation. Don't fail to try it.—Long Branch News.

The Right Sort of General. Jacob Smith, Clinton St., Buffalo, says, he has used Spring Blossom in his family as a general medicine for cases of Indigestion, Bilousness, Bowel and Kidney Complaints, and disorders arising from impurities of the blood, he speaks highly of its efficacy. Prices 50 cents, trial bottles 10 cents. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street, Lancaster, Pa.

Can't Preach Good. No man can do a good job of work, preach a good sermon, try a law suit well, doctor a patient, or write a good article when he feels miscrable and duil, with sluggish brain and unsteady nerves, and none should make the attempt in such a condition when it can be so easily and cheaply removed by a little Hop Bitters, fee "Truths" and "Proverbs," other column. j15-2wd&w

Eclectric Oil Amongst the Base Ballists. Joseph Durrinberger, Broadway, says he had the misfortune to severely sprain his ankle confining him to his room and causing extreme suffering. His brother "Lessee of the E. Side B. B. Grounds" who always uses it in such cases, induced him to try it and he says that the application of the Eelectric Oil half a dozen times enabled him to walk round and before he had used half of the bottle he was quite recovered. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street, Lancaster, Pa.
