DRY GOODS.

HOMER, COLLADAY & Co.,

1412 and 1414 Chestnut St. PHILADELPHIA.

The general improvement in business the past year, with the prospect of a very large increased demand for all kinds of Dress Goods, induces all American buyers of Foreign Goods to place immense orders. This was universally the case, so much so that, perhaps without exception, 50 per cent. more goods were imported than the country could possibly consume. As a consequence, there has been a great break in prices in a great many fabrics, which we shall fully meet.
