The Tobacco Market.

Best Leaf and Havana for the Week Ending Saturday, March 5, 1881.

While everything in our market regarding the '80 crops is as yet without practice, everything regarding the '79 crops is practicing, with no theory at all brought up at figures that are staggering when the pieces of the cigars that are to be made out of it are taken into consideration.

To some of the large manufacturers in this city, the present state of the leaf market is proving an opportunity for money-making. They bought in a low market much in excess of their actual yearly needs, anticipating that the '80 crop would be a bad one.

Fine wrappers of the '79 crops will surely remain in great demand during the year, irrespective of the looks and quality of the '80 crop.

As we go to press a sale of a packing of '80 state seed is reported. The parties to the transaction do not object of seeing their names published. Therefore the report ought to be true.

Sales last week were as follows: Pennsylvania—Crop '79, 1500 cases; of these over 800 were of low description; the price is reported as between 10 and 11 cents; fine running lots are quoted at 22 to 23 cents; fillers, 7 to 8 cents.

Connecticut—Crop '79; number of cases uncertain; computed at 350; no particulars. State—Crop '79: 100 cases fine running Big Flats, 21 cents.

Havana.—The activity of the previous week continues. Sales run up to high prices. City manufacturers bought spiritedly, but in small quantities. '79 stock continues the main article. '80 is still awaiting a real opening. Prices unchanged.

Gains' Report. Sales of seed leaf tobacco, reported by J. S. Gains & Co., tobacco brokers, Nos. 84 and 86 Wall street, New York, for the week ending March 7, 1881: 1,400 cases 1879 Pennsylvania, fillers, 6 1/2 to 7c; assorted, 12 to 22c; wrappers, 20 to 40c; 200 cases 1879 New England, wrappers, 16 to 30c; 100 cases 1879 state, p. t.; 200 cases 1879 Ohio, 7 to 14c; Total, 1,900 cases.

Troublesome Children that are always wailing their heads ought not to be soothed and pacified for what they cannot help. The best remedy for them is having a tonic effect on the kidneys and the urinary organs. Such a medicine is Kidney-Wort. It has a specific action. Do not fail to get it for them.—Echague, m7-14c&w

How's the baby? "His cough is better this morning, thank you. We've given him some of Thomson's Kidney-Wort, and you see his doctor and shall give him some more in an hour or so." Next day the doctor pronounced the youngster cured. We are all for it.—Echague, m7-14c&w

The Right Application. Mrs. D. Morrison, Farmington Centre, P. Q., writing about Dr. F. J. C. Greene's Kidney-Wort, says: "I have used it in all my applications. The result is that the medicine was used by an old gentleman who had a very bad cough. It cured him. I have used it in all my applications. The result is that the medicine was used by an old gentleman who had a very bad cough. It cured him. I have used it in all my applications.
