#### COLUMBIA NEWS.

OUR REGULAR CORLESPONDENCE

The weather to-day is very pleasant. A. J. Potts, of the P. R. R. is in town to-day.

The river is yet away above low water mark.

William B. Given, esq., left here on the one o'clock train on a visit to New York Illinois.

James M. Gamble, esq., wife and fam-ily left here to-day for their home at Williamsport. Pa.

Engine No. 331 came here yeste rday in a disabled condition-Frederick accommodation train.

Deputy Coroner John P. Frank impaneled a jury and held an inquest over the remains of the girl, Myra Arms, aged 13 years, and daughter of Albert Arms, who died suddenly at her parents' home on Sunday. Drs. Craig, Kay and Lineaweaver were the physicians of the post mortem examination. It was found "that the said Myra Arms came to her death from a natural cause, she having been afflicted with an affection of the heart."

The man who to-day holds a Pennsylvania railroad excursion ticket to Washington and return, is the owner of just so much dead stock. The validity of all such tickets expired with the incoming of to-day.

At their residence, in West Hempfield township, last evening, Mr. and Mrs. John Sterline celebrated the twenty-fifth (silver) anniversary of their wedding. There were present about fifty friends of the family, who, with the happy bride and groom, very pleasantly spent the evening. Many handsome presents in silver, glassware and table linen were received. The guests departed wishing their host and hostess many happy returns of the day.

Cookman chapel, of the M. E. church, celebrated its fifth anniversary last evening at the chapel building, at Flfth and Locust streets. Rev. Henry Wheeler was unable to be present, but addresses were made by James M. Gamble, of Williamsport; Rev. Mr. Reed, of Washing-ton borough, and Mrs. Wheeler, wife the pastor of the M. E. church. The programme of exercises arranged for the occasion was not strictly followed, but was adhered close enough to give one, who was not there, an idea of what took place. Our fellow reporter, Jack Henry, of the Examiner, delivered an oration. The officers presented their reports for the year; there was some singing and instrumental music, and this completed the celebration of the anniversary.

Captain D. Brainard Case has received from Colonel Alfred Rupert, commanding the 11th regiment, N. G. P. a warrant for the inspection pay due the members of company H, of this place, for services rendered at the encampment in Fairmount park, Philadelphia, lost August. The money was slow in coming, but is none the less welcome.

Messrs. Samuel Filbert, Alfred C. Bruner, George Breneman, I. C. Gitt and W. H. Shenberger returned last evening on the train arriving here at 10:45, Washington D. C. The boys took in the inau guration and had a very pleasant time.

The indications now are that the opera house will contain as large an audience on Friday night next when "Fun on the Bristol" will be presented, as it did when "Our German Senator" was rendered under the auspices of the Grand Army during the absence of her mother fell into

BART ITEMS

The Nickel Mines band has been called upon several times of late to do the serenading of newly married couples, in place of the former, more discordant, calathum-

pians. The tobacco raisers were somewhat disappointed during the past week. Buyers were expected to be in the way of one another. In fact, several had promised to come into the neighborhood, but only one kept his promise and the sales were rather slim. Hileman bought for Shultz the fol-lowing lots : F. M. Lennox. 14 acres, 18, 6 and 3; Arthur Steward, 2 acre, 15, 6 and 3; D. G. Steacy, 1 acre, 18, 6 and 3. A sale was made a few days ago by Andrew Johnston of 1 acre, at 15, 6 and 8, to a new buyer.

#### The Tripples Again Arrested.

Yesterday afternoon before Alderman Wiley, John H. Miller, prison inspector and late president of the board of prison nspectors, in accordance with a resolution adopted by the board, reviewed the complaints against Charles D. Tripple and George A. Tripple, late clerks at the prion, charging them with embezzling the funds and mutilating and destroying the prison books. These are the same complaints that were ignored by the late grand ury. The warrants were given to Officer Cramer to serve, and the Tripples will no doubt enter bail and answer at court.

#### The Fighters Heard.

This afternoon the men who were arrested at Ziegler's hotel, on East King street, had a hearing before Alderman Barr. James Murray, John Lyle, William Kative and William Burna were each committed to prison for 30 days for being drunk and disorderly. Daniel Burke, James Daily and Wm. Hart got 10 days each. Burhs and Murray were also held to answer at court the charges of assault and battery on Mrs. Adam Ziegler and L. F. Ziegler.

Partly Suffocated. Last night Henry F. Weber, grocer, 326 North Queen street, and his wife were nearly suffocated by coal gas which came from their parlor stove into the bedroom

above. Mrs. Henrietta Carlson, late Krug, residing on East Walnut street, suffered from the same cause. She awoke and felt so badly that she feared some one had entered the liouse and chloroformed her. Officers were called and the true state of affairs ascertained.

Appointed Notary Public. A. F. Shenck, esq., has just been reap-pointed notary public by the governor for three years. He received his commission morning. The commission of F. A. Ricker justice of the peace, of Mount Joy borough is also at the recorders office.
