NEW THINGS FOR SPRING 1881 JOHN WANAMAKER'S THIRTEENTH AND MARKET AND CHESTNUT STREETS, PHILADELPHIA.

In value and variety exceeding any Retail Store in Philadelphia.

We have done our best every Spring to have ready the best and largest assortment of goods for personal wear and house use. It is an easy thing to say that with experience gained since last season, this spring shall be an improvement-that it shall be the very best yet. Come and see how great the contrast for the better a single year can make. Our whole stock for this spring is, we believe, the very best that we have ever gathered for our customers, and in carefulness of selection and excellence of ma-terials and variety of uses, is not matched anywhere else on this side of the Atlantic.

Every railroad to Philadelphia will bring you within a few squares of the store, and if time for shopping is limited-or if it is not-we can save you in purchasing, time as well as money.

BOUQUET SQUARES.

BOUQUET SQUARES. The bouquet squares of sateen are a late thought from that wonderful city where every-body vies with everybody as to who shall pro-duce the latest new thing. Nobody has them here or in New York, so far as we know. We should ut have them ourseives for some weeks yet, but for our buyer resident in Paris, whose duty it is to send us promptly every-thing new. Since their arrival, especially, sateens are rising in favor. At the risk of being tiresome let us repeat : Our solvens are mostly small figured ; though we have about 50 styles of large figured. There are a so plain colored sateens of the color of the ground of every style we have, for combi-nation with the figured. The bouquet squares also for combination with the figured, though in a diff rent way, are each less than a yard, and consist of a plain ground with wide bor-der of darker shade, and wit's a large bouquet in two corners diagonally opposite.
