#### THE HYERS SISTERS.

An Excelient Entertainment Last Night. Last evening the Hvers sisters and their troupe appeared in the opera house before an audience which was not nearly as large as it should have been. The name of the play which was presented is "Out of Bond-" and it served to introduce the sisters andfa full company who sang a large number of plantation songs &c. Miss Madah Hyers is an excellent singer and the audience was al-most "carried off" by her. Her sister, Miss Louise, is a very good actress, easy in her manners and sings and dances with great skill. Fred Lyons, a colored man, who possesses an immense mouth, is an excellent banjo player and a funny comedian. The other people in the company are good. It is the best musical organization of colored people that has ever appeared here, not excepting the many minstrel organization, and every person who attend-ed the performance last night speaks in the highest terms of it. They will appear again to-night, when they should
