A number of the representatives of the medical profession will leave here this afternoon for Richmond, Va. Will give names and particulars to-morrow.

Another raft wreck occurred at Turkey Itill yesterday. To particularize would be merely to re-write our article in Saturday's INTELLIGENCER on the wreck of the day before, as its happenings were alike in every justance. One raft stuck and was thrown across the channel; two others piled into it and stuck also ; that is all. All three of the rafts were piloted by men named Waller of Marietta.

General Welsh Post, No. 118, G. A. R of this place, will have the Boston Ideal Musical company in the opera house on Tuesday evening next. The company appeared in Pottstown on Tuesday evening for the benefit of the Young Men's Christian association and the Ledger of that place speaks very highly of it. Manager T. B. They had made arrangements to go with Pilot Warren Brown, of Washington borough, but the raft in his possession this morning was not the style of concern that a party of excursionists would take to, hence the change.
