COLUMBIA NEWS.

OUR REGULAR CORRESPONDENCE. Mr. Bernard Malone left here to-day for Yew York.

Messrs. Kirkhoff & Co. shipped two car loads of leaf tobacco from here this morning to Baltimore.

An extension of several feet is being erected to the back portion of Wagner's hotel at Third and Locust streets. Four or five rafts arrived here this

morning, but were tied up along the shore above the dam, the river being too low to run below.

Fish Commissioner Hummel is in town to-day. Very likely he wants a taste of Susquehanna shad.

Unless the looker for it is entirely destitute of sight he will find it an utter impossibility to miss the office of Justice of Peace W. Hayes Grier. An attractive sign-and one not by any means small-which hangs at the front of the office, in-forms the public that the "Squire" may be found there and also that the Herald

office is situated therein. Mr. M. L. Brower, of Philadelphia, nember of the lower house of the state Legislature, was visiting in Columbia yesterday, the guest of William B. Given.

A. J. Kauffman and wife, S. S. Detwiler and wife, J. A. Meyers and wife, and soveral others, took a spin down the river on a raft this morning. They went to Wash-ington by rail and there got on with Pilot Harry Siple.

Seven hundred shad were caught last night at Mud island. They sold this morning at \$10 per hundred.

Musical entertainments will be given on Thursday and Saturday evenings of next week, in the United Brethren church, for its benefit, by the members of the Sunday school, at an admission fee of ten cents. The regular monthly meeting- of the

Shawnee fire company will be held this evening. Mr. Frederick Bucher says he knows

othing of the strike of the hod carriers in his employ which a couple of correspondonts reported as having occurred two days ago. That settles it. The home post of the G. A. R. had the and he was committed by Alderman Sam-

HALL'S VEGETABLE SICILIAN HAIR RENEWER IS a scientific combination of some of the most powerful restorative agents in the vegetable kingdom. It restores gray hair to its original color. It makes the scalp white and clean. It cures dandruff and humors, and falling out of the hair. It furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft and glossy, and is unsurpassed as a hair dressing. It is the most economical preparation ever offered to the public, as its effects remain a long time, making only an occasional application neces-sary. It is recommended and used by eminent medical men, and officially endorsed by the State Assayer of Massachusetts. The popularity of Hall's Hair Renewer has increase with the test of many years, both in this country and in foreign lands, and it is now known and used in all the civilized countries of the world. For sale by all Dealers.
