KIDNEY WORT.

THE ONLY MEDICINE IN EITHER LIQUID OR DRY FORM That Acts at the Same Time on The Liver, The Bowels, and the Kidneys.

Why are we sick? Because we allow these great organs to become clogged or torpid, and poisonous humors are therefore forced into the blood that should be expelled naturally.

It is put up in Dry Vegetable Form, in 25-cent and one-dollar packages, which makes six 25-cent packages of one dollar each.

CLOTHING.

BUSINESS SUITS. BUSINESS SUITS. We have somewhere in the region of one hundred styles of business suits now ready to put on. A list of them would be the dullest of reading; and yet we want you to know substantially what they are like.

The lowest price is \$8.50, and the highest is \$30. They are all of wool. \$8.50 is very little to get all-wool cloths, sponging, cutting, trimming, making, watching, handling, rent, book-keeping, advertising and selling, out of; but we manage to do it by dividing the costs among so many of you that one hardly feels his share at all; he pays for materials and work, and very little more.

We'll take another day for the rest; but you may as well come and see now as later. Seeing is better than reading.

Our stock of piece goods is still full and complete of all the Leading Manufacturers, both Foreign and Domestic. CENTRE HALL has the largest stock of...

AUGUSTUS RHODES, Jeweler, 29 East King Street, Lancaster, Pa. DIAMONDS, JEWELRY, & C. A BRIEF WORD AS TO PRICES!

Persons who desire to buy such things as Diamonds, Jewelry, Silver Ware, Watches, Parlor Sets, &c., are often hindered by the fear that the prices may be exorbitant. As to our prices, we remark:—

1. We make very large purchases and very large sales. Our transactions are all for cash. Therefore, our prices are low.

2. We are satisfied with small profits. The extent of our business warrants this, and it is greatly to the advantage of buyers.

3. We sell only fine qualities of goods in all our departments. But these will frequently be found lower in price than common goods are sold elsewhere.

4. We invite careful comparison and close examination as to quality and price.

5. The fixed price is marked in plain figures on every article we sell.

6. Strangers coming to the city are invited to visit us and see for themselves. Those who cannot come are invited to write for sales goods they may wish to examine with a view to purchase. These will be sent at our expense and brought back at our expense if not approved.
