

THE COYLE'S FERRY TRAGEDY.

Young Coyle often quarreled with his father, and on these occasions he was the victor of the men could be distinctly heard across the river from Coyle's hotel and ferry on the York county side.

"THE LAW."

Coroner Mishler's Answer. In reply to the article in yesterday's INTELLIGENCER, signed "Decency and Order," Coroner Mishler states that he has always been a lawyer, and he never has nor ever will encroach upon them; but he will not permit the supposed "private rights" of anybody to prevent him from performing his sworn duties.

COLUMBIA NEWS.

OUR REGULAR CORRESPONDENCE. E. R. Black, of the P. R. R., is in town to-day. The regular monthly meeting of the Columbia fire company will be held this evening.

The Shawnee fire company held its regular monthly meeting last evening. The robbery of which we spoke yesterday was at a toll gate on the pike between here and Moutville, instead of a Marietta pike.

Cyrus Bruner & Co. have sold their pleasure steamer "Columbia" to a Philadelphia party, and it left here for that city yesterday, via the Tidewater canal. The boat will be put on the Delaware river.

Horace West, of Bainbridge, a United States revenue marine cadet, stationed at New Bedford, Mass., was in town yesterday.

A recent heavy rain down the river has done more damage than we reported yesterday. Besides the land-slide on this shore of the Susquehanna which covered the tracks of the Columbia & Port Deposit railroad and caused detention of trains, navigation on the "Tidewater" canal is virtually at an end for at least a week.

The Columbia fire company's engine was shipped yesterday to the Spaw & Denison manufacturing company of Reading for a complete overhauling. The town council, at a special meeting, the night before, decided that the repair of the steamer was necessary and acted without previous notice.

Excursion tickets at two-thirds rates will hereafter be sold to points on the Columbia & Port Deposit railroad to parties of five or more. No less than five tickets will be sold, the idea being to discriminate in favor of parties desiring to do the river in a party.

Mr. Wash Supple, aged 36, a Pennsylvania railroad brakeman on freight engine No. 824, and residing at this place, while in the act of making a coupling last night at 52d street, Philadelphia, was caught between the wheels of two cars and terribly squeezed. He was taken to one of the West Philadelphia hospitals, but died in a few minutes after reaching it.

Deceased was a step-brother of Dispatcher James H. Daily, of this place. The body will be buried at 10 o'clock to-day at the residence of the deceased.

The report of the movement of cars over the Pennsylvania railroad at Columbia for the month of May is as follows: East, loaded, 38,838; total, 40,315. West, loaded, 12,847; total, 37,832. Total, loaded and empty, east and west, 78,147. This report shows an increase of 9,230 over the movement of the month of April, and an increase of 4,416 over the month of May, 1880.

Freight is now livelier than it has been for some time, and the report for the month of June, if this heavy traffic keeps up, will show another record.

Burglars ransacked the safe in the store of Isaac Snyder, the saddler, on Wednesday night, but got less than a dollar for their pains. Mr. Snyder says that he keeps his books in the safe to preserve them from fire, but that he seldom keeps any thing of value in it.

The Lancaster County Mutual Fire Insurance company, through their agents Allan A. Herr & Co., No. 2 North Duke street, paid yesterday to Harry A. Miller and \$100 to Mrs. Emma K. Bair, for the loss of their horses by death.

Shaving becomes an indispensable luxury with Cuticura Shaving Soap.

Do not buy your Canary Sing? There is something wrong with some of the figures on the disks of the lower clock. Owing to the weather the paint has no doubt been washed off, and it is almost impossible to tell what some of the figures are.

My Tormented Back. It is the exclamation of more than one poor hard-working man and woman. Do you know what it aches? It is because your kidneys are overloaded and need relief.

Benefactors. When a board of eminent physicians and chemists announced the discovery that by combining salicylic acid with various remedies, the most wonderful medicine was produced, which would cure such a wide range of diseases that most all other remedies could be dispensed with, many were sceptical; but proof of its merit was furnished on Saturday, and to-day the discoverers of that great medicine, Hoff Bitters, are honored and blessed by all as benefactors.

Have your hair-keep it beautiful. The "London Hair Restorer" is the most delightful article ever introduced to the American people and is totally different from all other hair restorers, being entirely free from all impure ingredients that render many other articles for the hair objectionable.

By Universal Accord. Ayer's Cathartic Pills are the best of all purgatives for family use. They are free from cathartics, and are the most perfect of all purgatives, and their extensive use by physicians in their practice, and by all civilized nations, proves them the best and most effectual purgative pill that medical science can devise.

Relief from Hay Fever. Being seriously troubled with Hay Fever and Rose Cold (the affliction of a friend) I tried Ely's Cream Balm and was surprised in obtaining almost immediate relief. I heartily endorse and recommend it to all similarly afflicted. W. F. ADAMS, Druggist, Manchester, N. J., August 20, 1879.

For HAY FEVER I recommend Ely's Cream Balm. It has relieved me from the first application; have been a sufferer for ten years. Going from home and neglecting to take the remedy, I had an attack; after returning I immediately resorted to it, and found instant relief. I believe, by a course of use, I should not have been troubled. Have stood heat, dust and draughts as well as during other months. J. COLLIER, Clerk, 118 Broad street, Elizabeth, N. J. A School Girl's Unlucky Fall.

This morning a thirteen-year-old daughter of George Hillman, who lives on High street, slipped on the playground attached to Mr. Matz's school, at the corner of Vine and Mulberry streets, of which she is a pupil, and in falling struck her leg against the iron scraper beside the steps. The iron, which was quite sharp, entered the flesh, inflicting a deep gash about three inches below the knee. She was carried in her home and Dr. J. W. Cumbaugh summoned, who sewed up the wound. The injury, though a painful one, is not dangerous.

More About a Fraud. The man giving his name as Flynn, an account of whose transactions we had yesterday, left this city on Wednesday evening without paying his board bill at the Stevens hotel. He left behind a valise, for which he telegraphed from Reading. The valise was sent him C. O. D. so that he cannot get it unless he pays his board bill. He at first represented himself as being in the military business, but afterwards said he was a hardware merchant.
