Norris, Levis and Strawbridge, of Philadelphia, and their decided improvement under my practice. One of them came to me totally blind; the second nearly blind, and the third with almost constant neuralgia in and around the eyes, with impaired vision. A fourth patient, Miss Lizzie Brubaker, of Littiz, said: "My dyspepsia and other afflictions of long standing left me in a short time after going under your charge, and my glasses, worn since I was fourteen years of age, were laid aside as useless, and my vision is natural." Summer Goods for Men's Wear, which has never been eclipsed in this city or any house in the country for quality, style and high toned character. We claim superiority over anything we handled before during our experience of quarter of a century in business, and our reputation is established for keeping the finest goods in our line. Our opening to-day is an invoice of Novelties captured from the wreck of a large Boston house, whose failure has precipitated these goods on the market too late in the season and consequently at a sacrifice, so they are within reach of all desiring a first-class article at a moderate price. The consignment includes a full line of the celbrated Talemon's French Novelties, the handsomest and finest goods imported to this country, a new feature in Silk Warp ; Talamon's Tricot a-Long, Serpentine Tri-cots, Cork Screw Diagonals and Granite Weave. A full line of Taylor's English Trouserings of beautiful effects. Also a fine line of Choice American Suitings as low as \$20 a Suit. All the Latest Novelties in Spring Overcoatings at moderate prices.
All are cordially invited to examine our stock and be convinced that we are making no idle boast, but can substantiate all we say and respectfully urge persons to place their order at once before the choicest styles are sold, for they cannot be duplicated this season.
