REIGART'S OLD WINE STORE. Brandy as a Medicine.

The following article was voluntarily sent to Mr. H. E. Slaymaker, Agent for Reigart's Old Wine Store, by a prominent practicing physician of this country...

Indigestion and Dyspepsia. BRANDY AS A MEDICINE.

This now much abused Alcoholic Stimulant was never intended as a beverage, but to be used as a medicine of great potency in the cure of some of the destructive diseases which sweep away their annual thousands of victims.

With a purely philanthropic motive we present the following article of invalids - especially those afflicted with that miserable disease Dyspepsia, a specific remedy, which is nothing more or less than Brandy.

The aged, with feeble appetite and more or less debility, will find this simple medicine, when used properly, a Sovereign Remedy.

or all their ills and aches. Be it, however, strictly understood that we prescribe and use but one article, and that is REIGART'S OLD BRANDY.

Sold by our enterprising young friend, H. E. SLAYMAKER. This Brandy has stood the test for years, and has never failed, as far as experience extends, and we therefore give the preference over all other Brandy brands with good reason.
