MALICIOUS MISCHIEF

And Surety of the Peace

Before Alderman Wiley this morning was heard the complaint of Abram Hirsh against Millie Gerlitzki for keeping a disorderly bawdy house corner of Walnut and Water streets. The case is one of a series of suits and cross-suits growing cut of disputes between the parties. Mr. Hirsh being the owner and Miss Gerlitzki the tenant of the house in question. He is anxious to get her out of it, she is determined to stay in.

A Serious Charge

Two boys named Wyatt Brenner and Ita Brenner, of Safe Harbor, were arrested in that village this morning by Officer Daily, of this city, on suspicion that they were the parties who robbed the store of George A. Tripple on the night of June 27 of \$220 in \$20 notes. None of the stolen property was found upon the accused, but one of them a few days ago took a \$20 bill to another store to get change. They were taken before Squire A. D. Hudson and entered bail for a hearing before Alderman McConomy of this city, next week.

Drunk and Disorderly.

Patrick Eagan and Joanna his wife, and Patrick Kelly and Mary his wife, were arrested last night by Constable Warfel, of Leacock, for drunken and disorderly conduct. They were brought to Lancaster and taken before Alderman Barr at the rather unseasonable hour of 1:30 a.m. They were too drunk for examination and the alderman locked them up for a hearing.

Police Caves.

Officer Elias arrested Thad Henry (colored) and Henry Doman (white) on complaint of their wives, who charged them with being drunk and disorderly. Henry is also charged with surety of the peace. Both gave buil for a hearing before Alderman A. F. Donnelly.

The mayor this morning had two drunks before him. Both paid their costs and were discharged.
