The rain of Sunday extended over the greater sart of the county and did a work of good. Unfortunately there was a and deserved patronage. The fact that streak of hail running through the storm, the tickets, sold for \$3 for the round trip, which did considerable damage in the vicinity of Quarryville, Camargo, May, Georgetown and other points in Providence Eden, Bart and Salisbury. We learn that three or four acres belonging to Robert Montgomery, and about the same quantity belonging to Jacob Eckman, Samuel Shimp, John Bair and Christian W. By the hail-storm of last week John Nissley, residing near Junction, had five acres of tobacco so entirely cut to pieces that he plowed it under as green manure. It was not insured.

J. Little, residing in the same vicinity, had four acres cut to pieces at 4 o'clock in the afternoon, which he had insured at 9 o'clock in the morning.

Holders of last year's crop continue very firm in demands and do not seem to be at all anxious to sell until their packings shall have been sampled. Buyers are on the alert, but we hear of no transactions of moment. Mr. Musser has sold a packing of 40 or 50 cases to Mr. Charles Schuberth, and a few other small sates have been made.

Whoever fired the shot was trying a long range of a very small charge of powder, as the shot was scattered from head to foot of the youth who received the load. Suspicion points to a certain young man of not very good repute.
