RESCUED FROM DEATH The following statement of William J Cough lin, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our read ers. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summe of 1877 I was admitted to the City Hospital While there the doctors said I had a hole in ed over a hundred dollars in doctors and med-icine. I was so far gone at one time a report went around that I was dead. I gave up hope but a friend told me of Dr. WM. HALL'S BALSAM FOR THE LUNGS. I laughed at my friends, thinking that my case was incurable, but I got a bottle to satisfy them, when to my surprise and gratification, I commenced to teel better. My hope, once dead, began to revive, and today I feel in better spirits than I have the past

"I write this hoping you will publish it, so that everyone afflicted with Diseased Lungs will be induced to take Dr. Wm. Hall's Balsam for the Lungs, and be convinced that con-sumption can be cured. I have taken two bottles and can positively say that it has done more good than all other medicines I have taken since my sickness. My cough has almost entirely disappeared and I shall soon be able to go to work." Sold in Lancaster at Cochran's Drug Store, 137 and 139 North Queen 1v28-lydeodTh&w2
