WASHINGTON, Oct. 11.-Senators Cam

Platt, Cameron (of Wisconsin), Valentine, Van Wyck and Sherman and three or four members of Congress called upon President Arthur this morning at 12 o'clock. A meeting of the cabinet was held at the

residence of Senator Jones. All the members were in attendance, and at 1 o'clock they were still in session. It is generally believed that at least two cabinet changes will be announced when the Senate convenes to-morrow, the retiring mem bers being Secretary Windom and Attorney General MacVeagh. It is known that the president has upon his desk above a hundred nominations to be sent to the Senate, and the general impression is this morning that a final adjournment of the Senate will be possible in two or three

A large number of prominent gentle-men called on Secretary Windom at the treasury department this morning. Senators Sherman, Frye and Allison were among the number. The secretary left the department a few minutes before 12 o'clock to attend the meeting of the cabio'clock to attend the meeting of the cabi-net at the president's office. Before starting he said, in response to an inquiry, that at present he could not say definitely how long he would remain at the head of the department; that the question of time was wholly in the discretion of the president. The secretary does not at all events contemplate leaving the department until

his successor is appointed. The cabinet remained in session about an hour and a-quarter. From what can be ascertained it appears that the meeting was unimportant and that the time was devoted principally to an exchange of views on the political situation as it now stands. Secretary Windom, when asked shortly after the cabinet meeting was over, if it had been determined who was to succeed him as secretary of the treasury, replied that the matter was still in abeyance so far as he knew, remaining about the same as it was yesterday. Speaking further regarding the meeting the secretary intimated that there was nothing of especial interest considered. Another cabinet officer is authority for the statement that no allusion whatever was made as to who would be retired from or retained in the cabinet.

A VALUABLE DISCOVERY. Dr. C. W. Benson, a Well-known Practicing Physician and Surgeon of Baltimore, Md. De Benson has, for the past twenty-one cars, paid much attention to Nervous dis-

in equally strong terms. Everyone is now tasking of the wonderful cures effected since they have been placed before the public.
