Will Pay Kent When the Agitators are Released. LONDON, Nov. 5.—A curious plan has been adopted in some parts of the west of Ireland, with the view of keeping the "no rent" manifesto before the tenants. It has taken the form of a promissory note which has been circulated among the farmers attending a fair at Monti, county West Meath. The note is a promise to pay rent on the day Parnell, Davitt and the other suspects are released. It is intended that the note shall be signed by

tenants and sent to landlords. Honoring a Philanthopist.
