

THIRD EDITION.

TUESDAY EVENING, NOV. 8, 1881.

WEATHER INDICATIONS. WASHINGTON, D. C., Nov. 8.—For the Middle States light rains followed by partly cloudy weather, southeast and south-west winds, falling barometer, and no change in temperature.

IN PHILADELPHIA. Stating and Trading all Around. PHILADELPHIA, Nov. 8.—A light vote is being polled this morning in the districts held from, and the balloting is so mixed that the usual predictions are not ventured upon. The independent candidacy of Mr. Wolfe for the office of treasurer is attracting much attention in the Fifteenth, Twenty-second, Twenty-fourth and Twenty-ninth wards, but in the greater part of the city considerable apathy is shown in that particular. The warmth of the struggle here centres in the office of city commissioner, and the trading of candidates is actively carried on. In Republican ranks many Democratic votes are secured to Baily, the Republican candidate for state treasurer, in exchange for votes for Haggarty and McManamin Democratic candidates for city commissioners, but there are strong hopes for the success of Carson and Krumpholtz, the independent candidates for the last named offices. The representatives of the committee of one hundred are supplied with both the Republican and Democratic tickets for state treasurer and recorder of deed, but the names of Carson and Krumpholtz are appended to each. In the past the police have collected returns at 11 a. m. and 2 p. m., but Mayor King has decided to abolish the custom. The police will, however, collect them to night.

Quiet Day in Baltimore. BALTIMORE, Nov. 8.—The election is progressing very quietly in the city to-day, and with less interest than usual. The day is inclement, fog and heavy mist prevailing.

Republicans Carry Austin. AUSTIN, TEX., Nov. 8.—The Republicans have elected Mr. Taylor mayor by 150 majority.

Apathy in Albany. ALBANY, Nov. 8.—The election here is very quiet. It is expected the usual Democratic majority of fifteen hundred in this city will be cut down from lack of interest in the contest.

Heavy Voting in New Jersey. NEWARK, Nov. 8.—The election in the county is progressing quietly and earnestly. An immense vote will be polled, probably larger than at the last presidential election.

Jefferies City, Oct. 8.—The election is progressing very quietly, indicating a light vote. In the Third Assembly district, where the anti-monopoly party is making its principal effort, the fight is very sharp.

OUR GERMEN GUESSES. Von Steuben's Democrats at the Burial of American Independence. PHILADELPHIA, Nov. 8.—Representatives of the Von Steuben family arrived from New York at one o'clock, and were escorted to the mayor's office by the first regiment. Upon reaching the mayor's office they were introduced to Mayor King by Mr. Walker Blaine, assistant secretary of state. An address of welcome was read by his honor, to which Col. Von Steuben replied, expressing thanks for the hospitality shown him. After an exchange of greetings the party were taken to Independence Hall, where addresses were made by Consul Meyer, Col. Von Steuben and others.

DEATH ON SHIPBOARD. A Seaman Falls from the Rigging and is Drowned. NEW YORK, Nov. 8.—The ship Hamilton Fish, from Antwerp, reports that she encountered violent gales on the passage during which she sustained considerable damage and developed a great deal of water. Geo. Motts, seaman, of Philadelphia, fell off the fore topsail yard while furling the upper fore topsails, striking the fore rigging in falling, covering the rail with blood, and then fell overboard, could not be rescued by any assistance, as the wind was blowing a hard gale and it was very dark and raining.

THREE MILLION DOLLARS LOSS. The Destruction Wrought by the Western Wind. ST. LOUIS, Nov. 8.—A Quincy, Ills. special says the water is receding very slowly. All the open country lying between the north end of the Sky levee and south of Quincy is to be leveled as soon as the water is removed. The damaged levees are to be repaired.

The following are believed to be accurate estimates of the damage done by the flood: Entire losses in the Warsaw drainage district, \$600,000; in the Indian Grove district, \$750,000; in the Sky Island district, \$1,000,000; on Quincy Bay and in the city \$300,000; in and about Alexander, Mo., \$250,000; to the Keokuk & St. Louis railroad \$100,000; to all other railroads, \$60,000; to open lands north of Sky Levee and immediately south of this city \$200,000 making a total of \$3,000,000. The full extent of the loss can only be gauged when the river has returned to its banks.

Impending Strike in English Potteries. HANLEY, England, Nov. 8.—Various towns of the Staffordshire potteries are on the eve of a gigantic strike. The whole of the men connected with the Operative association have resolved to cease work on Thursday, unless an advance of wages is granted. The strike will affect 50,000 employees. At a meeting yesterday the employees pledged themselves to refuse an advance.

A Hung Jury. PHILADELPHIA, Nov. 8.—The jury in the Hiller trial after being out since Saturday, reported to-day that they were unable to agree. The judge sent them back to the jury room.
