Companies.

The Scheme Carried Out as to the Murder, but Blocked as to the Payment of the Money.

offices and in the same month he was insured for \$25,000-\$10,000 in each of the New York companies and \$5,000 in the Connecticut Mutual. He paid the first quarterly premium to the three companies and then started for the far West, ostensibly for the purpose of establishing a cattle ranch. A companion started with him named John H. Brown. While crossing the prairies they met a young man named. the prairies they met a young man named Frederick A. Walters, whom Hillman hired to accompany them and to tend the cattle on the ranch. On the evening of the cemetery of Medicine Lodge. Walters | year ahead for an emergency.

We have many special things to offer and therefore invite examination. We offer the insurance. The dead man was not like Hillman; his hair was curly and came down around his face, while Hillman's was quite straight and brushed back from his torchead. The dead man had the usual number of teeth, while Hillman was known to have one missing. The dead man had recently been vaccinated, and the sear on his arm was quite fresh and sore. Hillman had also been vaccinated instructions from the issues of corps. It is there that the manage is made and preserved. Some farmers have no barayard, and they make very fittle manage, and nation in the insurance companies' offices.
The fatal wound also was one which could hardly have been inflicted in the manner described by Brown, and the latter had become very much confused at the in towards the centre—with the bottom centre of the second confused at the interpretation of the second confused confused at the interpretation of the second confused confuse

A photograph of the corpse was taken stock. The litter should be so abundant and sent to various places. It was first that the liquid is absorbed by it. To preof Frederick A. Walters, the man who had a cover for the yard, or that portion detograph was shown to Walters's father he few dollars, and will pay for itself the first at once recognized the features as those of year in a larger quantity and better qual-his son. He took it home with him, and try of manure. Leok out for the manure accidentally dropping it from his pocket, it was seen by his wife and daughter, who at once burst into tears. Several letters of Walters were also found. One to his sweetheart in Fort Madison, whom he addressed as "Dearest Alvira," stated that he was going West with a man named ing it, and said that there was a mole about the size of a pea on the left leg. The body fully answered his description, even to the small mole. This left no doubt that the body was that of Walters, and that he had been killed by Hillman and Special inducements in price now as we desire to make a radical change in stock by Brown as a substitute for the former's body in order to secure the insurance

> was part of a scheme to defraud the insurance companies. He said that he was ac- ing our tices, have often asked us what quainted with all the parties to the scheme. was done to them to make them look so They Were Hillman, Levi Baldwin, Hillman's father-in-law; Mrs. Baldwin and himself. Baldwin furnished the money for the operations. Hillman was to insure

"Hillman had been vaccinated before end of their time. we left on this trip, and one day he advised Walters to get vaccinated, as there . Often there is much said, and especially would be danger of smallpox in the region at this season of the year, about covering where we were going. Walters consented and Hillman vaccinated him with a penduced by what they read to act so as to knife taking the matter from his own arm. heartily regret it when the spring comes This was relied upon to help establish the round. We have known people to act on identity of Walters as Hillman. Hillman this suggestion, and cover their strawberry also traded off his clothes with Walters. beds with manure, and find the whole com He gave Waters a lot of underclothing pletely rotten in the spring. And yet a and then traded his outside garments. little covering with the right kind of ma-Walters was an easy-going, stupid sort of fellow. He said that his name was Berk-ley or Burchell. We always called him and often destroyed; while it must have ith him ofter Hillman had made up his mind to kill that the best fruit comes from plants that him. I did not want to become intimate have managed to keep their leaves bright with him, On the evening we got to camp on the 16th of March, Joe was sitting by the fire. I was at the wagon trying to get out something, when I heard a report and saw the man was shot. Hillman dragged when the saw the man was shot. Hillman dragged to keep the react and show the winter is so good for the steamberry erop. As we have remarked, when the leaves are browned the crop is small; but when the snow covers the plants all the the body to one side and put one of his when the snow covers the plants all the own books in the dead man's pocket. He winter long, they come out in the spring

Mrs. Hillman would deliver the policies to at Lawrence, Kansas, in the offices of the Mutual, the New York and the Connecticut Mutual life insurance companies. The applications were forwarded to the home of the mining camps around Leadville. offices and in the same month he was in The companies have detectives on his
