RESCUED FROM DEATH

The following statement of William J. Cough lin, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our readers. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said 1 had a hole in my left lung as big as a half collar. 1 expended over a hundred dollars in doctors and medicine. I was so far gone at one time a report went around that I was dead. I gave up hope, but a friend told me of DR. WN. HALL'S BALSAN FOR THE LUNGS. I laughed at my friends, thinking that my case was incurable, but 1 got a bottle to satisfy them, when to my surprise and gratification, I commenced to feel better. My hope, once dead, began to revive, and to-
