Business Clothing

WANAMAKER & BROWN.

CLOTHING

constitutes a great part of our work. We make it in all grades from the very homeliest of honest cloth and work.

Our best business suits are of higher grade than any made by any other house, whether in this city or in New York or Boston.

The cloths are not always better; the trimmings are; the work is. The best difference is in the work. The whole job is on a higher plane, though there are points of equality.

We study our work all the time. We are not content with mastering it once. Every season new developments furnish occasion for new study

We keep our workmen from year to year. We educate them; we train them to higher work as fast as we find out that higher work can be done. We pay them well. We keep them employed all the time. They are loyal to us, and give us their best work.

This is how the best business suits are made.

We make a royal business suit for \$20.
