By Universal Accord, AVER'S CATHARTIC PILLS are the best of all purgatives for family use. They are the product of long, laborious, and successful chemical investigation, and their extensive use, by physicians in their practice, and by all civilized nations, proves them the best and most effectual purgative Pill that medical science can devise. Being purely vegetable no harm can arise from their use. In intrinsic value and curative powers no other P.lls can be compared with them, and every person, knowing their virtues, will employ them, when needed. RESCUED FROM DEATH The following statement of William J. Cough-

lin, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our readers. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said 1 had a hole in my left lung as big as a half collar. I expened over a hundred dollars in doctors and medicine. I was so far gone at one time a report went around that I was dead. I gave up hope, but a friend told me of Dr. WM. HALL'S BALSAM FOR THE LUNGS. I laughed at my friends, thinking that my case was incurable, but I got a bottle to satisfy them, when to my surprise and gratification, I commenced to teel better. My hope, once dead, began to revive, and today I feel in better spirits than I have the past

hree years.
"I write this hoping you will publish it, so HENRIETTE, her Sister, { The Orphans, three years. that everyone afflicted with Diseased Lungs will be induced to take Dr. Wm.
