We refer to the wonderful success that has attended the introduction of Dr. C. W. Benson's Celery and Chamomile Pills into the whole country.

They are prepared expressly to cure Sick-leadache. Nervous Headache, Neuralgis, Nervousness, Sleeplessness and Dyspepsia and the facts prove that they do and will cure these diseases every time where the cause is not of an organic nature.

The secret of their success is twofold. First,

the need of them is very great; it is the only thing that has ever been found, in the profes sion or out of it. that would actually and per William Allen, who killed William S. slon or out of it. that would actually and per-sclater, was taken from the jail at War-body who takes them becomes a walking and wick Court House, Va., by a party of body who takes them becomes a walking and talking advertisement for them. TRANGE-YET TRUE!

STRANGE-YET TRUE:

STRANGE, YET TRUE, that after the hundreds of extraordinary cures wrought by DR. GREENE in this city and county, of Consumption, Diabetes, Palsy, Fits, Dyspepsia and other diseases, after the patients had (without success) tested Allo, and Homocopathic physicians. 'Tis very strange that hundreds of other persons, more or less afflicted with disease, will not read Dr. Greene's pamphlets, or call upon him and be cured of their aliments. Strange that they could be influenced by jealous physicians, or druggists, to keep away from him. They ought to know that the major portion of his patients are from the ranks of other M. D.'s, and that it they did not lie, or throw out some kind of inuendees, they would lose the balance of their patrons. Mrs. McCaskey, of Philadelphia, came under Dr. G.'s charge through Mr. Powell, of No. 6 East Walnut street, almost blind; been for years testing the Philadelphia oculists. Oct. 27, went home with good vision and health. Oct. 27, Wm. Ensminger, a blacksmith of Strasburg, came in almost a new man, having suffered for years with Dyspepsia in its worst, forms.
